

LIVESTOCK EXHIBITS & LIVESTOCK SALE

All exhibitors must be registered for 4-H on ne.4honline.com by June 15th.

Livestock or other products may be sold during the fair, to be delivered at the close of the fair. The Cheyenne County Fair Board assumes no responsibility for the delivery of products sold during the fair. Fair Board members and Extension staff will not be responsible for loading or selling any livestock (beef, sheep, swine, goat, and rabbit) that does not go through the livestock sale. Prearrangements must be made with the packer prior to fair for all extra animals.

The Grand Champion and Reserve Champion market classes and rate of gain winners must go through the sale. **Any 4-H/FFA project animal that has been offered for auction, where the intent of the auction is change of ownership, is ineligible for the 4-H/FFA livestock classes at the Nebraska State Fair.** (See State Fair Guidelines) If Grand and Reserve Champion market animals and rate of gain animals are owned by the same individual, this will constitute an exception to the one (1) beef, one (1) sheep (1) goat, one (1) swine sale and one (1) pen of meat rabbit's rule. "No Sales" are to be discouraged against. Pre-Market class animals or overweight class will not be sold in the Livestock sale. One (1) market beef, one (1) market swine, one (1) market lamb, (1) market goat and one (1) pen of meat rabbits may be sold per individual.

All exhibitors enrolled in beef, goats, sheep, swine, poultry, and rabbits must have completed Youth for the quality Care of Animals (YQCA) training by June 15.

Absent Showman Policy: A 4-H/FFA exhibitor must be present to exhibit and sell their market animal unless prior approval is received from the 4-H Council or in case of an emergency from the respective superintendent.

4-H/FFA members showing cattle at the fair should bring their brand inspection certificates with them on entry day, regardless of whether they plan to sell the animal or not. If the 4-H/FFA member's animal is bearing a brand belonging to their parents, the 4-H/FFA member will need to have them sign a Disclaimer of Interest.

Cheyenne County 4-H Council deducts 1% of the sale price of market animals to cover costs such as ear tags, brand inspection fees, bedding, and advertising. State Law requires Beef, Lamb and Swine Check-off fees be paid by the seller.

Livestock will be entered and weighed on Wednesday. Rabbits and poultry will be entered on Wednesday. Small Animals and Dogs will be on Wednesday, July 28.

All intact market livestock animals will have to leave the fairgrounds. ***Breeding Heifers and Ewes cannot be shown in Market Classes.***

LIVESTOCK JUDGING

LIVESTOCK JUDGING CONTEST

Purple \$4.00 Blue \$3.00 Red \$2.00 White \$ 1.00

Livestock judging is a process of evaluating, selecting, and placing various livestock species by comparing the merits of one animal against the merits of other potential project animals. In 4-H, Livestock judging contests are held to help youth acquire a better knowledge of livestock and to develop skills in selecting quality animals. The contest will consist of four classes with four animals each that will be determined by the Livestock Superintendents on the day of the contest. Scores will be based on points for each placing class and for the oral reasons. The results of the contest will be announced at the beef show on Friday.

ROUND ROBIN SHOWMANSHIP

The Round Robin Showmanship contest will begin immediately after the Beef Show on Friday. There will be a short break to allow time for set-up and for 4-H/FFA members to prepare for the contest. The time of this event will be determined by when the Beef Show is finished. All qualifiers must be present at the start of the contest to compete. The winner will have their name engraved on a plaque kept at the Extension Office. No premiums will be paid for this event.

The participants for the Round Robin will be selected as follows:

1. The Grand and Reserve Champion Senior Showman from Beef, Horse, Sheep, Goat and Swine will participate in the contest.
2. If, for any reason the Grand and Reserve Champion exhibitor within a species does not wish to or cannot participate in the contest, the exhibitor placing next will be selected to compete, and accordingly until the position is filled.
3. In the event of a multiple Grand and Reserve Champion exhibitor (ex. One 4-H/FFA member winning Beef and Sheep Showmanship), the exhibitor will be given the option of which species he/she would like to participate in the Round Robin contest. Then another exhibitor in the species not selected will be allowed the opportunity to participate.

Other guidelines applying to the contest other than specific rules the judge may have are:

1. The animals used for this competition will be chosen by the Livestock superintendents from the beef, sheep, horse, goat, and swine. Contestants and livestock will be matched by a draw.
2. Each species will be shown separately, and a pen set up for confinement of the swine.
3. The contestants will rotate animals with the aid of the ring stewards.
4. The basis of the contest will be on the actual showing of the different species and questions that the judge will ask during the competition, not on grooming.
