step three: ADD ADULTS TO THE FAMILY PROFILE

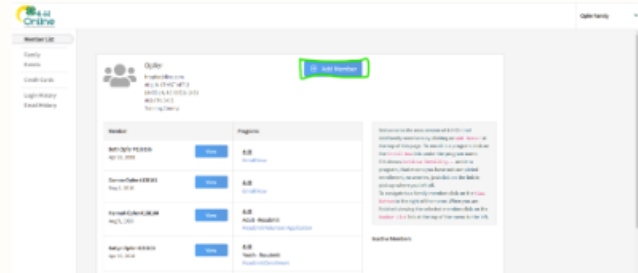

You may now add the individuals in your household. Select "Add Member".

Now enter information for one specific individual in the household.

You may choose to change the email address if so preferred.

The asterisk areas are required. All other fields are optional.

Please enter the number of years you have been a 4-H volunteer! The Extension office has a list if you cannot remember.

step four: ADD VOLUNTEER ENROLLMENT

Click Select Volunteer Types to indicate how you are planning to participate in the program throughout the year.

At least one Volunteer Type is required during the enrollment process. You may add additional Volunteer Types later, if needed.

For Nebraska, you will need to choose if you are an "organizational leader" (club leader) or "project leader".

step five: **ADDING A CLUB AND PROJECTS**

Select the County, Club and Volunteer type that corresponds with the Club in which you would like to participate.

If you have selected to participate as a Project leader, you will be prompted to select a Project. Click Select Projects.

step six: **CONSENT FORM AND CODE OF CONDUCT**

Please sign all consent forms on this page. This includes our Activity Worker Guidelines and our Volunteer Code of Conduct.

step seven: **CONFIRMATION AND SUBMIT ENROLLMENT**

If all information looks correct, please submit your application. You will then be prompted to move to the next step, which is our screening process.

Please note that until your enrollment has been accepted and all screening pieces complete, you will not be considered an active volunteer.

step eight: **VOLUNTEER SCREENING**

All Nebraska 4-H volunteers must complete the [4-H Volunteer screening process](#) before volunteering with 4-H in any capacity. Please contact your [local Extension office](#) for any questions.

All direct volunteers with Nebraska 4-H are required to complete a background check through Nebraska DHHS. On the prompted screening screen you will be asked to sign your permission to be screened and for those results to be shared with Nebraska 4-H.

In the message of the consent, you will find a direct link to the DHHS webpage. Please click on this link or copy and paste it into your browser. Screenings that are completed without following this link will not be connected to Nebraska 4-H or your 4hOnline account.
