GENERAL 4-H ENTRY RULES

Any boy or girl currently enrolled in the 4-H program in Colfax County may exhibit at the Colfax County Fair. This includes youth who live in adjoining counties but are enrolled in Colfax County. This also includes individual 4-H club members and youth involved in a 4-H school enrichment project.

Exhibitors must be enrolled in the project in which the entry is made. An exhibitor may not enroll and exhibit in the same project in more than one county. All exhibits must be the property of the exhibitor and the product of the current year's work.

In the case of livestock entries, each species of livestock is considered a "project". Thus, an exhibitor can only enroll in and exhibit a given species of livestock in one county. (Example: Exhibitor enrolled in two clubs, one in County A and one in County B. If you exhibit a Beef project of any kind in County A, you cannot exhibit a Beef project of any kind in County B.)

Entries in the 4-H division shall not be eligible to compete in the open class division.

Judges will place awards on the basis of merit. A purple, blue, red or white ribbon will be given to each exhibit. The judge's decision in all cases will be final.

Grand Champions, Reserve Champions and trophy/award winners must be from purple ribbon exhibits, unless the judge deems them worthy.

All Clover Kid exhibits will receive participation ribbons.
