SF

DEPARTMENT G - FLOWERS & PLANTS
Premiums: Purple \$4.00; Blue \$3.00; Red \$2.50; White \$2.00

The cultivar or variety name must be included on all entry cards. Failure to identify the cultivar or variety will drop the entry one ribbon placing. Proper identification is the responsibility of the exhibitor. Identify the cultivar or variety before you bring your exhibit to fair. Be sure to mark your exhibit with your name (this is separate from the entry tag).

Exhibitors must be enrolled in either The World of Flowers or Annual Flowers to exhibit in classes 1-53. Exhibitors may enter one, or up to a maximum of five different flowers from classes 1-53. One entry per class.

Cut flowers: All 3 or 5 stems of cut flowers should be the same cultivar and color, do not mix cultivars and colors. Foliage will be considered when exhibit is judged. A perennial is defined as a plant of which the crown overwinters. An annual is a plant that grows from seed each season, whether self-seeded or planted by the gardener. A biennial is a plant that germinates, grows and overwinters as a crown, blooms the following year and dies. Use plain jars or bottles for cut flower entries. Use appropriate size containers (jar size, opening). Use paper punch on entry card and then attach entry card to jar with string. Each exhibit must also be labeled with name. This labeling should be separate from the entry card.

Cut Flower Annuals and Biennials - 5 stems of a single variety (cultivar) unless otherwise noted in parenthesis.

Follow the guidelines in 4-H "Preparing Cut Flowers for Exhibits" 4H227 (revised 2016) (Free Download – <https://unl.box.com/s/2f3a785c67p7qhqasevp6gu6adf3ugon>) when preparing entries for the fair. Copies are available at the Extension Office.
