

Custer County 4-H Horse County Rules - 2022

All horses must be listed with the Extension Office by June 1 on the 4-H Horse Identification Form (F 2-97-77). 4-H entries must be made according to the printed 2022 Custer County Fair Premium Book and entered online by July 1. Instructions for online entries will be emailed to 4-H families on approximately May 15. FFA members will need to notify the Extension Office of the classes they are entering and the number of horses they will be bringing for stall assignments. All classes will follow rules in the Nebraska 4-H Horse Show & Judging Guide, 4-H 373, revised in 2021, unless specified by 4-H Council approved county rules. District and state 4-H horse show rules continue to stand on their own. Following are the county rules:

4. Western riding is a level 2 event.
5. The 4-H Council has required that those participating in Custer County 4-H roping events must successfully pass a roping proficiency check. A group of more than two individuals/roping skills recommended by the horse committee will administer the check which is to assure that participants have adequate roping skills to have a reasonable assurance of safety. Ropers will be required to pass this proficiency check prior to entering any county roping events including the county fair.
