RULES
A.   ENTRIES - Youth who wish to enter Clothing Construction and Fashion Show will need to enter both Construction and Fashion Show classes. Only exhibits that have been judged for construction can be modeled. 4-H entries must be made according to the printed 2024 Custer County Fair Premium Book and entered online by 5:00 p.m. on June 28. Instructions for online entries will be emailed to 4-H families on approximately May 15.
B.   4-H'ers will receive information with instructions for the clothing construction and modeling judging. This information will be mailed or emailed to all 4-H'ers entering clothing.
C.   **All items that will be judged must be checked-in between 9:00 and 10:30 a.m., on Thursday, July 18, at the Evangelical Free Church in Broken Bow.**
D.   IDENTIFICATION LABELS - Each item entered as a clothing, knitting, or crochet exhibit must have a label attached stating: County, Exhibitor's name and age, project name and class in which garment is entered, and the number of years enrolled in the project exhibited. Wool entries must have the fiber content listed on the identification label. Attach a label on every component of the outfit using safety pins or by basting. This includes STEAM Clothing 1 exhibits.
E.   PREPARATION OF EXHIBITS - Please bring all wearable exhibits on wire hangers or hangers with a swivel hook. All exhibits not suitable for hanging should be entered in a self-sealing plastic bag and hung on a hanger. Wool garments and garments with narrow straps hang better on other hangers, i.e., wooden or notched plastic hangers with a swivel hook. As you look at the garment, place the hook of the hanger to the left. Use safety pins to fasten skirts, shorts, and pants to hangers. Each piece should be entered on its own hanger. If more than one hanger is used for an entry, fasten hangers belonging to one exhibit together with twist ties or rubber bands. Clear plastic garment bags will be provided on the day of clothing interview judging. In construction interview judging, the 4-H'er visits with the judge about her/his garment.   4-H'ers are encouraged to bring along their pattern. Clothing will be hung in the 4-H Exhibit Hall during the county fair.
F.   4-H members may exhibit one entry per class unless otherwise noted.
G.   CRITERIA FOR JUDGING - Refer to the Nebraska 4-H website for current state fair score sheets at www.4h.unl.edu. In addition, all entries must conform to rules and regulations as set forth in this Premium Book. All static exhibits must receive a purple ribbon at the county fair to advance to State Fair.
H.   If a project is selected for the State Fair, the 4-H'er should obtain information about State Fair rules at the 4-H website (http://4h.unl.edu/fairbook) or request it through the Extension Office.
I.   Garments as listed may be made for self (4-H member) or another person. 4-H'ers enrolled in clothing projects should continue their skill development. Once they have exhibited in a higher level, they are not eligible to exhibit in a lower level. Ex. Once a 4-H'er has exhibited in STEAM Clothing 3, they are not eligible to exhibit in STEAM Clothing 2.
J.   A **Design Data Card** must be included with all Beyond the Needle Classes C221003-C221008 and STEAM 2 and 3 upcycled exhibits. The data card is available at http://go.unl.edu/ne4hclothing.
