To Meat Goat 4-Her's,

This is just a reminder that all meat goats that come to Fair need to have a scrapie tag. Meat goats will be weighed on July 28th from 2:30 – 3:30 p.m.

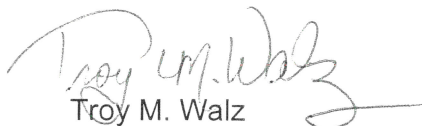

If you are going to be selling your meat goats at the 4-H Livestock Auction, you will need to sign-up your market animals online for the livestock auction by 4:30 p.m. Wednesday July 31st. To sign-up an animal for the auction go to: <http://go.unl.edu/auction2024> . To sign-up an animal on the base bid go to: <http://go.unl.edu/base2024> .

Show programs will be available online at <https://go.unl.edu/programs> .

Also, due to the large numbers of livestock that are sold at the 4-H/FFA Auction, the Ag Society requests that once the animal has gone through the sale ring that no selling/buying/trading of sold animals occur. The reason for this is that the Ag Society has to account for animals sold through the ring. They only have records of who bought the animal when it went through the ring and those animals are what they expect to find in the barns when they load out to the buyers. Your attention to this would be much appreciated.

Please let me know if you have any questions.
