Nebraska Extension in Custer County is once again partnering with Adams Land and Cattle to hold an exciting and interactive Youth Quality Assurance Training the **evening of Wednesday, June 8**. **This will be an in-person event held at the Municipal Building in Broken Bow**. Any Custer County 4-H member (4-H age 8-18) or FFA member who plans to show sheep, beef, swine, dairy, rabbits, poultry, and/or goats at the Custer County Fair, Nebraska State Fair, and/or Aksarben needs to be trained for Quality Assurance.

Adams Land & Cattle, Merck, and Boehringer-Ingelheim are again sponsoring the in-person event at no cost to the youth. **We request that you register youth by 5:00 p.m. on Sunday, May 1. Register at: <https://go.unl.edu/youthaga22>.**

ANNUAL 4-H GROUP ACCIDENT INSURANCE POLICY

Custer County 4-H is covered by an annual 4-H group accident insurance policy. The Annual Group Accident Policy through American Income Life (AIL) covers individual 4-H clubs, or county wide 4-H programs. The premiums for this insurance comes from the \$7.00/member fee each year. All enrolled 4-H members and leaders are covered under this policy. The policy covers each enrolled member and leader while participating in or attending regularly approved and adult supervised group activities. The policy offers FULL coverage for members and leaders while traveling directly to and from the member's home and the meeting place for the purpose of participating in scheduled group activity. If anyone has an accident claim to make, please contact Colleen at the Extension Office for a Claim Form. We are hoping that we have a safe and accident-free year!

The following examples are actual claims which have been paid:

A 13-year-old 4-H member was watering his calf while at the local 4-H fairgrounds when the animal knocked him against a concrete barrier. He required treatment in the emergency room for a broken wrist. AIL paid the policy maximum for medical expenses related to the injury.

A group of 4-H horse club members were practicing in the arena after a county show. One rider lost his seating and fell off. The 14-year-old was in extreme pain, so he was transported to the hospital by ambulance. X-rays found he had suffered a broken collarbone. Maximum benefits were paid under the 4-H club policy, which paid for the ambulance charge and contributed to the emergency room, hospital, and physician charges.

Congratulations!

COUNTY DESIGNED 4-H T-SHIRTS...USING THE 4-H NAME AND EMBLEM

Many 4-H clubs are creating designs for use on 4-H club shirts. These designs usually incorporate the 4-H Name and Emblem.

The 4-H Name and Emblem is a highly valued mark within our country's history. Did you know it was granted a very unique and special status; it is in a category similar to the Presidential Seal and the Olympic Emblem? The 4-H Name and Emblem is federally protected by the Secretary of Agriculture.

What does that all mean for 4-H clubs? You must have prior approval for any design which you would like to use in print/stitching. This includes articles of clothing as well as handouts and fliers. Information regarding Using the 4-H Name and Emblem, as well as a Request Form for Approval of Use of the 4-H Name and Emblem can be found online at:

<https://4h.unl.edu/name-emblem-guidelines>

If your 4-H club is thinking of using the 4-H clover and/or name in a design, please complete the form and return to the Extension Office along with a copy of the graphic **prior** to any ordering or printing. If you have any questions, please feel free to contact Colleen at the Extension Office.

FOCUS ON CHARACTER...RESPONSIBILITY!

What is responsibility? Webster's dictionary defines responsibility as the quality or state of being responsible as a) moral, legal, or mental accountability, b) reliability, trustworthiness; something for which one is responsible. Responsibility is the state of being reliable and the state of being accountable. Responsibility is to do what you are supposed to do, think before you act...consider the consequences, and be accountable for your choices.

4-H members/families and 4-H leaders all have responsibilities in the 4-H program. 4-H members and families are responsible for attending club meetings; meeting club/county deadlines; completing 4-H ONLINE enrollments, contest entry forms, county fair entry forms, record books, and making sure they are given to your club organizational leader in ample time to be turned in to the Extension Office. 4-H leaders are responsible for holding 4-H club meetings (informing members of meetings scheduled and planning an agenda for the meeting) and meeting county deadlines (for example, enrollment deadline, contest entry forms, county fair entry form deadline, record book deadline, and deadline for livestock ID's).

Each of us is responsible for the choices we make. And for every choice we make, there is usually a consequence. Consequences will be positive or negative, based on the choice which was made. Though others may influence us, we must take responsibility for our actions. Who we are today, is the result of choices we made yesterday. Tomorrow we will become what we choose today. To be responsible means to do your duty, to be accountable for your choices and their consequences, to pursue excellence, and to use self-control.

DIAMOND CLOVER PROGRAM

The 4-H Diamond Clover Recognition Program is designed to complement our dynamic 4-H tradition. This non-competitive program recognizes the accomplishments of 4-H members from 8-19 years of age. Through the Diamond Clover Program, Nebraska 4-H recognizes young people for their accomplishments and life skill development. It offers the opportunity for youth to practice the life skills they are learning and be rewarded for their work. The Nebraska 4-H Diamond Clover Recognition Program is designed to assist all 4-H members in their 4-H journey to becoming capable, contributing, and competent adults. An overview of the program and report forms can be found online at: <https://4h.unl.edu/diamond-clover>. All Diamond Clover member reports are due in the Extension Office on or before 5:00 p.m. on October 1. Please do not include Diamond Clover reports with record books. For more information, contact the Extension Office.
