

DEPARTMENT 4-H SCHOOL ENRICHMENT

These county fair classes are for youth who have participated in a program conducted by Extension Staff during school time. These are called 4-H School Enrichment projects. An example of a common 4-H School Enrichment project is Green Food Factory. This is the project where students make a loaf of whole wheat bread, while learning about how wheat grows, the nutritional value of whole grains, the parts of a wheat kernel, and how yeast works in bread. Another common school enrichment project is Embryology in the classroom.

4-H entries must be made according to the printed 2024 Custer County Fair Premium Book and entered online by 5:00 p.m. on June 28. Instructions for online entries will be emailed to 4-H families on approximately May 15. Entries will be interview judged on Wednesday, July 24, 10:00 a.m. - 4:00 p.m. at the 4-H Building on the Custer County Fairgrounds in Broken Bow. Entries must be picked up at the fairgrounds on Thursday, August 1 between 8:00 a.m. and 12:00 noon. Youth who are not 4-H members, but participated in a 4-H School Enrichment project, must contact the Extension Office prior to June 28 in get their entry submitted online. Questions concerning 4-H School Enrichment entries may be directed to the Nebraska Extension-Custer County Office, (308) 872-6831. Entries not eligible for State Fair. One entry per class.

CLASS F970001 FLOP EXHIBIT - Exhibit will display a project that didn't turn out the way the 4-H member wanted it to or had some kind of a significant mishap. The focus on the judging will be on what was learned through the process and not the end product. Include a description of what happened, what you learned from it, and what could have been done differently for a better outcome. A picture display with details clearly identifying what happened will be acceptable too.
