ServSafe Food Safety Training

Due to recent publicity regarding foodborne illness outbreaks, your customers are more concerned about food safety.

Don't miss this opportunity to obtain certification from the National Restaurant Association and update your skills in foodborne illness prevention. You will:

- Receive a 7th Edition *ServSafe Manager* reference book for your establishment.
- Discover the critical areas of food safety.
- Learn how to handle food safely throughout the flow of food.
- Be able to implement facility sanitation and employee training.

Prior to the training, you will receive the *ServSafe Manager* book. The class is taught in English.

Program Content

- Providing Safe Food
- Forms of Contamination
- The Safe Food Handler
- The Flow of Food
- Purchasing, Receiving and Storage
- Preparation and Service
- Food Safety Management Systems
- Sanitary Facilities and Pest Management
