

Nebraska 4-H Animal Project Record

Project _____ Year _____ Years in Project _____

Name _____ Age _____ Name of 4-H Club _____

Project Goals:

The first step of a successful project is to set project goals and steps to achieve your goal. Each goal should contain three parts: action, results and timetable. Example: (Action): I want to learn, (Results): the body parts and retail cuts of meat from a market beef, (Timetable): before county fair. The steps are the activities we do in the project to reach our project goal before the end of our timetable.
