

DIXON COUNTY 4-H ELITE SHOWMANSHIP CONTEST

1. The 4-H Elite Showmanship Contest provides an opportunity for the Champion and Reserve Champion of the Senior Division Showmanship from the 4-H Divisions of the large animal species (beef, sheep, swine, and goat) to compete for the best all-around senior showmanship honors at the fair. It is possible that one of the reserve showmen could be named as Champion 4-H Elite Showman.
2. In this contest, each contestant will show a pig, a goat, a sheep and a beef animal, while being judged on their showmanship skills with each species of animal. The judge will use a numerical scoring system to evaluate each individual at each species, with the winner determined by the total score over all species.
3. The contest will start at 9 a.m. on Sunday of the fair. Contestants are asked to be ready for the contest with their animal.
4. The champion and reserve champion senior showman (intermediate if no senior contestants) from the 4-H divisions of beef, sheep, goat, and swine are eligible. In the event that a person wins the showmanship contest in more than one species in a given year, they will be entered into the 4-H Elite Showmanship Contest in the first species that they qualified in. In that event, the next highest-ranking individual from the second species will be eligible to enter the 4-H Elite Showmanship Contest.
5. If the individual who has qualified has a conflict or otherwise chooses to not participate in the contest then the next highest ranking individual in that species will be eligible to compete. Contestant must let supt. know at the end of their show.
