2024 Dixon County Fair July 6-10

SEND YOUR THANK YOU NOTES

It is never too late to say "Thank You." Many individuals and businesses have helped you in some way during this past year. The list is probably longer than most realize. It starts with your parents and club leaders and continues with businesses, individuals, and clubs. This group includes Dixon County Fair Board and 4-H Council, and donors for trophies and sponsorships. Please take a few minutes to express your appreciation by sending them a thank-you note.

Nebraska Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska-Lincoln cooperating with the Counties and United States Department of Agriculture.

Nebraska Lincoln

Nebraska Extension educational programs abide with the nondiscrimination policies of the University of Nebraska-Lincoln and the United States Department of Agriculture.

Don't forget to include the **County Award Sheet** with your Achievement Applications!

National 4-H Week – October 1-7, 2023

State 4-H Rodeo 2023 ... CANCELLED The 4-H horse program had announced and planned to hold our 2023 State 4-H Rodeo on October 7, and an open youth rodeo on October 8 in partnership with the UNL rodeo team. This year there were some unavoidable conflicts with the scheduling of the 4-H Rodeo and with the changes in leadership within the UNL Rodeo team, the department does not have the facilities, date, and cattle to host the State 4-H Rodeo for this October.

Due to all of these circumstances, the State 4-H Rodeo will be cancelled for 2023, with the plan to continue the State 4-H Rodeo in partnership with the UNL Rodeo Team in 2024 as they take on new leadership in their organization and we have more time to plan.

2023 Nebraska State Fair Level 3 Feedback

Level 3 Photography judging at the Nebraska State Fair is done cumulatively. Three judges give the photo a score from 1 to 5, 1 being the worst, and 5 being the best. The scores are then added up and they receive a ribbon placing based on the sum of the three scores. We ask them for overall feedback for things they saw collectively that youth did well, and things youth could work on with their photography skills. Below are the judges comments:

- I am so proud of these kids. You can tell they are putting a ton of work into these photos!
- Make sure you are meeting the level of difficulty that sets apart Level 2 from Level 3.
- Know where your point of focus is and make sure it is clear.
- Level 3 judging is very critical, so do not get discouraged! Look for ways to improve. If you receive a purple at State Fair, feel very proud!
- Don't move up to Level 3 too soon. Master Level 2 first.
- Common issues I saw were the photos weren't in focus or the matting and presentation of the photo wasn't the best.
- Youth are doing well at attempting new and interesting concepts. Youth could use help through photography lessons, especially with lighting, to help them grow.
- Be sure that youth understand the class they are entering a photo in. Several photos were not "abstract" or "candid" but they were in those categories.
- Keep using those creative techniques! Explore different lighting, angles, and compositions. Keep snapping pics!
