

2024 Clover Kids Projects in Dixon County

Clover Kids is the officially recognized program in Nebraska for children under the age of 8. The program is designed to provide 5 to 7 year-olds a variety of educational and recreational experiences in a non-competitive environment. Clover Kids provide an excellent opportunity for youth to achieve his/her highest potential because early life experiences affect future development.

Instructions to enroll (or re-enroll) your child in 4HOnline:

- Photography

The purpose of the 4-H Clover Kids program is to foster the development of life skills that are essential for the cognitive, social, emotional and physical maturation of younger children. Children of this age are a distinct audience for 4-H with unique learning characteristics and developmental needs that are different from older children and youth served through 4-H membership. As a result, the 4-H Clover Kids program is designed with specific educational objectives and program policies. 4-H Clover Kids programs and curriculum will include activities and learning opportunities that are developmentally appropriate for this age youth. Participation, safety, personal development, learning and fun are the highest priorities in providing 4-H Clover Kid programs.
