An Illustrated Presentation is a live presentation with a formal talk where youth will use visual aids (such as props, posters, computer-based visuals, handouts, video, etc.) to show and tell others how to do something. The judge views the entire presentation and engages in a question-and-answer session following the presentation.

Rules

- Age Division:
 - Junior: ages 8-10 as of January 1 of the current year
 - Intermediate: ages 11-13 as of January 1 of the current year
 - Senior: ages 14-18 as of January 1 of the current year
 - If team members are not in the same age division, they must compete in the age division of the oldest team member.
- Length:
 - Individual - Junior Division: 3-5 minutes
 - Individual - Intermediate and Senior Divisions: 6-8 minutes
 - Team - Junior Division: 5-7 minutes
 - Team - Intermediate and Senior Divisions: 8-10 minutes
 - Participants will be penalized if their presentation exceeds the time limit.
- An Illustrated Presentation may be given by one (1) individual or a team of two (2) individuals. If team members are not in the same age division, they must compete in the age division of the oldest team member.
- 4-H Presentation topics should be related to how the 4-H youth is learning about science, healthy living, citizenship, and agriculture literacy through 4-H.
- Presentations should include an introduction (the "why" portion of the topic), a body (the "show and tell" portion of the topic), and a conclusion/summary (the "what" portion of the topic).
- Presentations can use visuals, including computer-based visuals. Participants may use their own computer and a cable to connect the computer to the projector. If needing a laptop, you will need to provide the USB drive for your presentation file.
- Live animals may be used in the presentation. Presenters are responsible for all stalling arrangements, care, and handling of animals. Animals can only remain in the presentation area while the owner is present. If a pet, must have proof of vaccination submitted by March 21, 2024.
