CONTEST

Wednesday, August 4 at 6:00 pm / Baseball Field

PREMIUMS

Purple \$7.00; Blue \$6.00; Red \$5.00; White \$4.00
 Clover Kids \$1.00

GENERAL GUIDELINES:

- The Nebraska Extension Office will provide the launch pad and launch controller for this contest.
- As a participant you must provide everything that is needed for one flight.
- Each contestant is allowed one flight per rocket.
- A participant can use a rocket from last year's project or current year's project.
- The contest will be judged on the following guidelines:
 - SAFETY 60 points
 - ROCKET FLIGHT 30 points
 - RECOVERY SYSTEM & DAMAGE TO ROCKET 10 points

Clover Kids 4-H members may participate in the Rocket Launch Contest non-competitively. They will receive a participation ribbon and \$1.00 premium.

DRESS CODE: All Exhibitors are required to wear the sponsored 4-H T-shirt and blue jeans.

NEBRASKA STATE FAIR - PREMIER 4-H SCIENCE AWARD

OBJECTIVE: Recognize 4-H youth static exhibits incorporating or demonstrating concepts from the areas of 4-H Science (science, technology, engineering, or Math) at the Nebraska State Fair. Exhibits in all curriculum areas will be considered for the award.

EXHIBIT ENTRY: Exhibits must be "Selected for State Fair" to be eligible for this additional entry opportunity. Youth will identify ONE exhibit to be considered for the Premier 4-H Science Award. The Premier 4-H Science Award Application must be submitted along with a photograph of the exhibit to the Nebraska Extension Office in Dodge County by the state fair entry deadline. The photograph will not be used for judging, only to locate it at the State Fair should we need additional information. The Nebraska Extension Office will enter exhibit into its original State Fair class and the Premier 4-H Science Award class (H101001). Only ONE exhibit per youth from any department will be eligible for the Premier 4-H Science Award.

JUDGING:

- A score sheet will be used to judge each exhibit. Exhibits which do not have a completed application or photograph can be disqualified at the discretion of the judge.
- Participants will be scored on how well they communicate their use of the Scientific Method or Engineering Design Process while completing their exhibit.
- An exhibit involving a science topic does not necessary qualify it to be the best choice for this award.

RECOGNITION:

- All award applications entered will receive a participation certificate. No ribbons or premiums will be awarded.
- Up to 3 top exhibits will be chosen to receive a \$100 cash award sponsored by the Nebraska 4-H Foundation. A special recognition certificate will be placed on their exhibit to showcase their achievement.
