

June 5, 2012

Dear Counselor and High School Principal:

Since 2008, the Fremont Area Career Development Coalition has held a spring career day at Midland University in Fremont. Over the past four years, more than 3,000 high school sophomores have attended the one-day event. The event is filled with opportunities for students to gain more knowledge about their career interests and prepare them for their post high school experiences.

Because of past successes, the coalition has decided to continue its efforts in providing a positive, learning experience to all high school sophomores from Archbishop Bergan, Arlington, Bennington, Bishop Neumann, Cedar Bluffs, Douglas County West, Fremont High, Fremont Learning Center, Howells-Dodge, Logan View, Mead, North Bend Central, Scribner-Snyder, Wahoo High and Yutan.

As the 2012-2013 school year approaches, the coalition will begin making plans for the 2013 Career Day event that will be held on Tuesday, March 26 at Midland University in Fremont. The event will begin with registration from 8:50-9 a.m. and end with a 2:00 p.m. departure. Students will hear from motivational speakers plus attend career and enrichment sessions of their choice. In addition, there will be a lunch break that will give students the opportunity to visit the variety of career booths on display.

You will be receiving more detailed information about this annual event at the beginning of the 2012-2013 school year. At this time, we are asking that you "Hold the Date".

We look forward to working with you in providing career education to your students in 2013!

If you have questions, feel free to contact me by phone (402-727-2775 #14) or by E-mail (tbehnken2@unl.edu).

Sincerely,

Tracy J. Behnken
UNL Extension Educator 4-H Youth Development
