

Kathleen Cue, M. Ag.

Extension Educator—Horticulture

Nebraska Extension
1206 West 23rd Street
Fremont, NE 68025-2504
Office: 402-727-2775
kcue2@unl.edu

Serving these counties:

- Dodge
- Washington
- Cuming
- Wayne
- Dixon
- Saunders
- Burt
- Stanton
- Thurston
- Dakota

My highlighted program activities:

- Extension Master Gardener Volunteer Program
- Pesticide Safety Education Program
- Pollinator Habitat Certification Program
- Food Access

Helping you find local answers to:

- Tree and Shrub Insects and Diseases
- Turfgrass Management
- Insect Pest Identification
- Weed Identification and Management
- Growing Vegetables and Small Fruits

What is the purpose of my job?

- Promote sustainable landscapes.
- Reduce resource risk and encourage resource stewardship.
- Protect private water sources and onsite wastewater treatment.
- Expand consumer and youth awareness for locally produced foods.

My statewide Nebraska Extension issue teams:

- Pollinator Habitat
- Food Accessibility
