

# *Standard of Excellence NCTA Livestock Judging Camp May 24th, 2017*

Join us for the NCTA Livestock Judging Camp open to all youth ages 8-18 years old. We also invite youth to participate the following day for the Nebraska Extension's Youth Animal Science Field Day (YASFD) Thursday, May 25. For your convenience, those participating both days have the option to register for an overnight stay in the resident halls on NCTA's campus.
