Step 8: Select the species, counties and exhibitors that the nomination applies. Select the division you wish to enter the animal under and complete all the required nomination fields based off of the organization's specific animal ID guidelines. If you are nominating this animal for State Fair or AKSARBEN, select the box. By selecting the box, it will trigger a \$6.00 nomination fee for all MARKET animals. (Note: all market animals nominated for State Fair and/or AKSARBEN must have a DNA hair sample pulled and submitted.) There is no fee for breeding animals or FFA Feeder Calves.

Click "Add Nomination" when completed with your nomination entry. This will provide you with a 5 Digit number (seen below) to write on the DNA Collection envelope or personal records. Repeat Step 9 for all animals you wish to nominate.

When finished nominating your animals, click "Cancel" to return to the Nomination Tab.
