

Dear Teacher,

Attached you will find GROW LAB surveys (YELLOW) that I am asking **your students (4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> grade) to complete**. We are attempting to measure the impact of the GROW LAB and are asking for a 100% return.

Please have your student complete **AFTER May 15 and before the last day of school**. It is important that they complete the surveys after the Economics Project (marketing and selling the GROW LAB bedding plants) that will be held on Friday, May 15 at Field Day.

I would suggest that you have your students complete in the classroom so that the rate of return could reach on 100%. Please return the completed surveys to the Heritage Elementary office by Friday, May 22.

Thanks your extra efforts in making the GROW LAB a success this school year!

Sincerely,
