Division 90 – Cavy

Showmanship

General Information:

Showmanship is based on grooming and training of the cavy and appearance and behavior of the exhibitor. The exhibitor must vocally explain the steps in their routine and merit of the cavy. Primarily showmanship is the skill of the exhibitor in presenting and explaining the cavy before the judge. The excellence of the cavy is not considered in scoring, although grooming and condition of the animal is assessed during scoring. The judge may or may not ask questions of the exhibitor. Exhibitors may choose to exhibit in an age division higher than the one they would be classified by their age. All Showmanship presentations need to comply with the Nebraska State Fair time limit of 4 minutes in length. Violations for presentations in excess of 4 minutes will be left to the discretion of the presiding judge.

Any Class Champion has the option to move up to the next class level of competition. However, once you have chosen to advance to the next level of competition you **MAY NOT** Return to your previous class level of competition.

*Cavies used for showmanship must be identified on the Sarpy County Fair 4-H Cavy Entry Sheet
