4-H Fashion Show

Showcasing Constructed, Embellished and
Purchased Garments

The 4-H Fashion Show is an opportunity for youth to showcase their clothing construction and consumer management skills. Construction garment exhibitors are judged on fit, construction, poise, and overall look of the garment on the individual. Shopping In Style exhibitors are judged on garment fit, the overall look of the outfit, and poise, as well as record keeping skills in the written report.

Cost per wearing (outfit, e.g., shirt/blouse, pants/skirt, jacket, dress, coat, etc.)

Figure cost per wearing for entire outfit or for each individual piece if parts will be worn individually. Estimate how many times in one year each purchased garment will be worn. (Think about whether you would really wear an item once a week for 52 weeks, for example.) Divide the item cost by the number of wearings for an estimate of the cost per wearing to help decide if the purchase was really a good buy for the purpose.

Narration: In 60 words or less, write a script about you and your outfit to aid the scriptwriter. Please emphasize fashion trends, not a detailed description of your outfit. Following are two examples of the kind of script envisioned:

After inventorying her wardrobe, Jane Smith, of Joy County, decided khaki pants and a fashionable top would be good additions to her closet. Jane purchased her khaki pants on sale, for a \$15 savings. The navy top was reduced to 50% off the original price. Both pieces will add zest to Jane's school time wardrobe.

Paul Prince of Palace County couldn't pass up this navy suit he discovered on sale for 40% off. This sophisticated navy suit is made of 100% wool. The tailored fit is perfect for this high school senior, who will be a starter on his basketball team in November.
