

4-H Sarpy County Fair

GENERAL RULES AND REGULATIONS

At the Fair, we celebrate the successes of hundreds of youth who have learned and grown through 4-H. It is a prime opportunity for 4-Hers to cultivate skills they've learned in 4-H projects, put their life skills and good character to work, discover areas they'd like to learn more about, and meet other youth and adults.

General Information

- The Board of Directors of the Sarpy County Agricultural Society reserve the absolute right to all matters of scheduling, use of the facilities or fairgrounds connected with The Sarpy County Fair.
- The Board of Directors of the Sarpy County Agricultural Society will use every reasonable precaution for the protection of persons, exhibits, livestock and other property, but will not be responsible for injury, loss or damage that may occur.
- Exhibitors are responsible for any damage caused by their exhibit.
- Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska–Lincoln cooperating with the Counties and the United States Department of Agriculture.
- The 4-H Youth Development program abides with the nondiscrimination policies of the University of Nebraska–Lincoln and the United States Department of Agriculture.

- Participation in the 4-H Clover Kids program is 4-H ages 5 -7.
- Participation in the regular 4-H program is 4-H ages 8 - 18.
- Certain programs designed for children with special needs/disabilities may establish age limits outside of those stated above. This decision will be determined locally.
- All 4-H'ers exhibiting in the Sarpy County Fair must be currently enrolled in the Douglas-Sarpy 4-H program. Enrollment is available at www.douglas-sarpy.unl.edu under Join 4-H. The 4-H year runs from October 1 through September 30.

- The deadline for youth memberships for those youth who are participating in the horse program is May 7.
- For all other youth enrollments, the deadline is June 15, to be eligible to exhibit at the county or state fair.
- If a 4-H member is chosen to exhibit at the Nebraska State Fair in classes where the presence of the 4-H member is required for judging purposes, such as animal exhibits, judging contests, public speaking, presentations, and fashion show, the 4-H member must be 4-H age 10.

Expectations of all 4-H Participants

- All exhibits must be the work of the member entering the exhibit.

Youth for the Quality Care of Animals (YQCA) <http://yqca.org/> is a national multi-species quality assurance program for youth ages 8 to 21 with a focus on three core pillars: food safety, animal well-being, and character development.

As a reminder, the Quality Assurance covers the following species only: beef cattle, dairy cattle, sheep, goats, swine, rabbits, and poultry – animals that we consume or animals that produce a consumable product for us. It does NOT cover cats, dogs, horses, llamas, guinea pigs, hamsters, or other small companion type animals.

- There is no limit on the number of exhibits that a 4-H'er can enter in a single class. There is a limit on the amount of premium money per class. If four entries for the same class would be entered by a 4-H'er, all four would be judged, have a comment sheet and ribbon, but premium money would only be awarded for the highest ribbon. **ONE ENTRY PER CLASS, UP TO THREE CLASSES PER DIVISION, WILL RECEIVE PREMIUM MONEY.**
- Unless otherwise stated, all static exhibits are premium level 5.
- **Classes numbered 900 or above are NOT eligible to be considered for the Nebraska State Fair.**
- On entry day, August 3rd, the 4-H Exhibit Hall is open from Noon – 7:00 p.m. It will reopen on Wednesday, August 4th at 5:30 p.m. for public viewing.
- All 4-H exhibits are to be on display for the duration of the fair. Extension is not responsible for items left at the fairgrounds.

Awards and Premiums

- Exhibits are judged against a standard and awarded a placing of purple (highest), blue, red or white. A green ribbon shows participation.
- Ribbon placings are based on a modified Danish System. The Danish system is used to divide the class. Then from the top group, a select few are designated for special recognition.
- Clover Kid entries are non-competitive and receive a special ribbon. Clover Kids do not receive any premium money. Clover Kid exhibits are not eligible for State Fair consideration.
- Ribbon placings:

- **Purple** 100 – 95 points:
The exhibit is outstanding. There should be no obvious flaws in workmanship.
 - **Blue** 94 – 85 points:
The exhibit exceeds the minimum standards. It may have one or two areas that are not the very best they could be.
 - **Red** 84 – 75 points:
The exhibit is average. It meets all minimum requirements, shows honest effort has been made. While there are visible signs of needed improvement, the skill level of the 4-H'er is improving.
 - **White** 74 points and lower:
The exhibit does not meet the minimum standards. It DOES NOT mean that the exhibit isn't worthwhile. When a 4-H'er sees this ribbon on their exhibit, the first question to ask is "What have I learned and how can I make it better?"
 - **Green**- Given for participation in noncompetitive areas.
- All static exhibits must have received a purple ribbon at the county fair to be considered for advancement to the Nebraska State Fair.
 - 4-H exhibits/contests must receive a purple ribbon in order to be eligible for champion, reserve champion, judge's award of merit or plaques. It is the judge's discretion to award or not award champion, merit awards or plaques.
- Premiums will be paid according to ribbon placing received and pay level for the class as indicated in each department. Any disqualified entry will not receive premium money. There is a limit to premium money. If you have more than one entry per class, the highest ribbon will receive premium money. PREMIUM AMOUNTS ARE SUBJECT TO CHANGE.

Premium Pay Levels for 2021

Pay Level	Purple	Blue	Red	White	Green
1	\$10	\$8	\$6	\$4	\$0
2	\$8	\$6	\$4	\$3	\$0
3	\$6	\$4	\$3	\$2	\$0
4	\$4	\$3	\$2	\$1	\$0

Special Recognition Award

Any 4-H static exhibit regardless of ribbon placing or state fair eligibility may receive a Special Recognition Award. This award consists of a ribbon attached to a certificate explaining what makes the awarded exhibit unique. Judges may use their discretion in choosing how many Special Recognition Awards to grant in each section. There is no premium money associated with this award.

Judge's Award of Merit Rosettes

This special award may be given to any purple ribbon static exhibit regardless of state fair eligibility. One award can be given per project area or division. In large areas with hundreds of exhibits, such as Home Environment, each judge will have a Judges Award of Merit Rosette to award. In areas that have limited entries, it will be the judge's discretion if any exhibit is eligible. There is no premium money associated with this award.
