Students in grades 5-8 are invited to explore money management through *Smart Cents Virtual*. Featuring on-demand video instruction from Nebraska 4-H Youth Development professionals to promote hands-on, minds-on learning about financial literacy practices.

**ASYNCHRONOUS & SELF-PACED!**

Created with the *Jump$tart National Standards in K-12 Personal Finance Education* in mind, this course will:

- encourage participants to make better financial choices.
- introduce positive planning skills.
- include family members in the learning process.

**FEES:**

- Classroom: $75.00
- Independent Student: $10.00
