This course is certified by the National Restaurant Association's ServSafe® Food Handler Program and is good for two years. The class consists of five sections: Basic Food Safety, Personal Hygiene, Cross-Contamination and Allergens, Time and Temperature, and Cleaning and Sanitation. At the end of the class a short test will be given, and you will leave with your

\*An interpreter for the deaf and hearing impaired will be available for the Monday, July 8, 2019 class, if needed. Participants needing additional accommodations may request them, in a timely manner, by contacting the program provider.
