

**Training designed for all staff on the importance of the proper way to clean up bodily fluids to avoid spreading illness.**

## Why Attend?

After completing this training, participants will be able to:

- Identify components in the Barf Bucket and their purpose
- Describe proper body fluid cleanup procedures
- Explain steps necessary to reopen the contaminated area

## What you will receive

- One Barf Bucket per center or program
- Barf Bucket Supplies
- 2 hours CEU's (*Nebraska Core Competency Area: Health, Safety and Nutrition*)

Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska-Lincoln cooperating with the Counties and the United States Department of Agriculture.
