Reminder: All youth are responsible for cleaning up the fairgrounds upon conclusion of the sale.
**4-H THIS WE BELIEVE**

- 4-H girls and boys are more important than 4-H projects.
- Learning how to do a project is more important than the project itself.
- To “learn by doing” through a useful work project is fundamental in any sound educational program and characteristic of the 4-H program.
- Generally speaking, there is more than one good way of doing most things.
- Our job is to teach 4-H members how to think, not what to think.
- A balanced program of work and play, geared to the individual needs of all interested youth, is more important than “grooming winners.”
- Sound growth of programs and numbers of boys and girls reached are important measures of vitality.
- Competition is a natural human trait and should be recognized as such in 4-H work. It should be given no more emphasis than other 4-H fundamentals.
- Every 4-H member needs to be noticed, to feel important, to win, and to be praised.
- A blue ribbon 4-Her with a red ribbon entry is more desirable than a red ribbon 4-Her with a blue ribbon entry.

**OBJECTIVES**

- To provide recognition for achievement.
- To provide new experiences for youth, leaders and staff who participate.
- To provide leadership opportunities for 4-H youth and adults.
- To provide learning opportunities for the public who visit the exhibits.
- To add to the public understanding of the scope of 4-H.
- To inspire the adoption of approved practices and new ideas.
- To help build a better Fillmore County Fair.

**GENERAL RULES FOR EXHIBITION**

This Fair Book is meant to provide guidelines with the best interest of youth in mind. On occasion, interpretations must be made. Sportsmanlike conduct is expected by all exhibitors, parents, and other guests on Fillmore County Fairgrounds property.

The shows and events of the Fillmore County Fair will be under the direction of the designated superintendents, Extension Staff and Fair Board. An animal that poses a safety hazard to exhibitors or other animals during the duration of the fair may be required to show individually or may be declared ineligible as determined by the superintendents. The superintendents and Extension Staff will make all on-the-spot decisions necessary for the operation of the shows. In case of a complaint or a disagreement with the 4-H show, the exhibitor should discuss it with the superintendent and Extension Staff within one hour after the show.

If an agreement cannot be reached, then the exhibitor and/or the superintendent/Extension Staff should request a grievance committee meeting. The grievance committee will consist of two 4-H Council members, two Fair Board members and one neutral superintendent. Both parties in disagreement will present their information to the committee. The decision reached by the committee is final. Grievance must be submitted in writing.

- Grievances regarding eligibility of an exhibit should be made 18 hours prior to the show/contest.
- Other grievances must be filed prior to the show.
- In the event that an unethical or illegal act was practiced in preparation or during the show/contest, appropriate action will be taken upon conclusion of that event.

Protests related to judges’ integrity, decisions, placings, or other evaluations will not be accepted. The superintendents, extension staff and fair board reserve the right to withhold any award. The exhibitor may be excluded from the show if action warrants.
Possible consequences for violation of rules include but are not limited to: ribbon place lowering, ineligibility to show, or loss of premium and awards.

**ELIGIBILITY REQUIREMENTS:** Only youth registered in the Fillmore County 4-H program may exhibit their projects in the 4-H division of the county fair. To comply with Federal 4-H Guidelines, only youth between the ages of 8 and 18 (as of January 1st of the current year) are eligible to participate. Youth between the age of 5 and 7 (as of January 1st of the current year) are eligible to participate in Clover Kids.

**AGE DIVISIONS:** Ages are as of January 1st of the current year.
- Junior – Ages 8 – 10
- Intermediate – Ages 11-13
- Senior – Ages 13-18

**PRE-ENTRY:** All exhibit areas must be pre-entered, including all animals, booths, Fashion Show, Clothing & Construction, Public Speaking, Presentations, and Talent Show entries. Please see calendar for exact deadlines. If a deadline is missed, the superintendent/staff reserves the right to lower the exhibit one ribbon placing.

**NUMBER OF ENTRIES:** Only one entry per class per exhibitor except where otherwise noted.

**ENTRY TAGS:** Exhibits other than livestock must have an entry tag attached to the exhibit at the time of entry. Tags are printed by the Extension Office.

**RELEASE OF EXHIBITS:** All fair exhibits are expected to be displayed at the fair for the duration. Premium and support/booster payments may be forfeited for early removal of any exhibit. In case of conflict, contact the office staff. Extension staff is not responsible for items left at the fairgrounds after scheduled release times.

**DISCLAIMER OF RESPONSIBILITY:** All persons participating in the Fillmore County Fair, either as exhibitors or as spectators, agree to make no claim against said Association, its officers, employees, volunteers, or any other exhibitors for any loss or damage to persons or property in connection with the activities of the Fillmore County Fair Associations and said participants agree to hold said Association and persons harmless from any such claims. Individuals will be held personally responsible for his/her actions and the fair management will not be accountable or responsible for any injury. Exhibitors are responsible for the health of their animals.

**RIBBONS AND TROPHIES AWARDED:** An exhibit must receive a purple ribbon to qualify for an award. In case there are insufficient funds to pay premiums in full, they will be prorated and paid accordingly.

**STATE FAIR ELIGIBILITY:** An exhibitor must be a 4-H member enrolled in the county in which she/he represents. In classes where the presence of the 4-Her is required for judging purposes, such as animal exhibits and contests, a 4-H member must be 10 years old by January 1st of the current year. If the presence of the 4-Her is not required, the 4-Her must be 8 by January 1st of the current year. All static exhibits must receive a Purple ribbon at County Fair in order to be considered for State Fair entry.

*Classes marked with an asterisk (*) are not eligible for State Fair.*

**STATE FAIR EXHIBITS:** The Extension staff delivers exhibits to the State Fair as a courtesy to exhibitors. However, exhibitors will be asked to arrange transportation of articles that are unusually large or heavy.

**FAIR RULES:** When County Fair rules are not adequate, State Fair rules will apply. If general rules conflict with department rules, the department rules govern.

**OFFICIAL DRESS:**
- **Livestock:** Exhibitors showing beef, dairy, dogs, cats, pets, meat goats, sheep, swine, poultry, and rabbits are required to wear an official 4-H T-shirt. Dark blue jeans and hard soled shoes or boots are required for beef, sheep, swine, poultry, and rabbit exhibitors. Dairy exhibitors may wear dark blue jeans or white pants. Long jeans/pants are required for cat, dog and small pet exhibitors. While hard soled shoes are not required for the cat, dog and small pet shows, exhibitors are required to wear closed toed shoes with non-slip soles. No hats, caps or other types of headgear are to be worn in the show ring.
Exhibitors shall not display commercial or other identification while showing their animals (i.e. Joe Smith’s Club Calves, etc.)

**Horse** exhibitors will use dress code as outlined in 4-H 373, *4-H Horse Show and Judging Guide*. If rules on fitting, showing and dress code are not covered in this book on a given subject, the rules that govern the State Fair or State Horse Show will be used. Other contests may require the 4-Her to wear appropriate clothing as set out in contest guidelines, and will include a 4-H chevron attached.

**INTERVIEW JUDGING:** Interview judging for static exhibits is optional, but 4-H members are encouraged to interview judge. This is a short meeting with an experienced judge who will visit with the 4-Her about their project. Youth are not judged on interview abilities. Sign up for interviews will be during entry day, Wednesday, from 5-8:00 p.m. in Ag Hall at the Fairgrounds.

**LIVESTOCK**

**IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) NATIONAL CODE OF SHOW RING ETHICS**

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to juniors as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations, which they impose on the local, county, state, provincial and national levels. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada. The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal.
either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
GENERAL ANIMAL RULES

All shows and events will be under the direction of the designated area superintendent(s) and Extension staff. The superintendent(s) and Extension staff will make all on-the-spot decisions necessary for operation of the shows. In case of a complaint or a disagreement with the show, see the procedure listed under General Rules.

LIVESTOCK SHOW RULES:

1. EXHIBITOR RESPONSIBILITY: To exhibit an animal at the County Fair, all Beef, Sheep, Swine, Dairy, Meat Goat, Dairy Goat, Rabbits and Poultry exhibitors must be Quality Assurance certified by June 15th of the current year through a UNL Extension program. All swine exhibitors must by Youth PQA + certified by designated instructors. Information and rules are available at the extension office. Exhibitors will be responsible for feed and bedding unless appropriate bedding has been provided in the stall area. Livestock exhibitors must keep pens, stalls, and alleys clean to the satisfaction of the superintendent(s). Pens and stalls must be cleaned for herdsmanship and after checkout at the end of the fair.

2. ELIGIBILITY REQUIREMENTS: Only youth registered in the Fillmore County 4-H program may exhibit their projects in the 4-H division of the county fair.

Exhibitor Age Divisions - To comply with Federal 4-H Guideline, only youth ages 8-18 (as of January 1st of the current year) are eligible to participate. Youth between the age of 5 and 7 (as of January 1st of the current year) are eligible to participate in Open Class or PeeWee Showmanship. Ages are as of January 1st of the current year.

Junior – Ages 8 – 10
Intermediate – Ages 11-13
Senior – Ages 14 -18

3. LIVESTOCK ENTRIES Must be made at the designated times as shown on the schedule, unless approved by superintendent &/or staff, based on circumstances. Animals may be identified by only ONE 4-H or 4-H family and shown by those 4-Hers listed on the identification sheet at time of check in.

- Dual enrollment for market and breeding animals are allowed. 4-Hers are able to nominate the same animal for market and breeding as long as it is identified on the market side and breeding side.

1. PRE ENTRY FORMS - All animals must be pre-entered by June 14th of current year, so that stall assignments can be made.

2. OWNERSHIP REQUIREMENTS - When 4-H exhibitor(s) and parent(s) sign an ownership affidavit indicating the exhibitor(s) will feed and care for the animals, it is expected that the exhibitor(s) will have primary responsibility for the animals. In cases where the exhibitor may not have primary responsibility for the duration of the project (i.e. separation of parents and more than one residence), it is recommended the exhibitor request exception from the local 4-H Council. The time the exhibitor will be able to care for the animals should be clearly defined in the request. An exhibitor in a 4-H show of horse or dairy animals may show an animal owned by someone outside of the immediate family provided: A) he/she manages (cares for, feeds, trains, at least 75% of the time during the project year and B) permission for use of the animal is certified by the owner on the owner’s affidavit on the 4-H member’s ID sheet. When a horse’s ownership is shared between two families, only one family may show the horse at a show (i.e. county fair, district horse show, etc.)

3. IDENTIFICATION - Livestock, Horse, Poultry and Rabbit ID papers are due in the Extension Office by June 15th. For 4-Hers competing at District and State 4-H Horse Shows, horse ID papers are due in the Extension Office by May 10th. Once an animal is declared a breeding or market animal, it must stay as such and cannot be switched after the entry deadline (June 14th). NEW: Animals have until check-in time at the fair to declare 4-H vs. FFA, but once it is checked/weighed in it cannot be switched. Animals shown as 4-H/FFA are not eligible to be shown as open class, but can be shown in peewee showmanship. To be eligible to show in a registered
class, a animal must be owned by the exhibitor &/or immediate family (i.e. mom, dad, legal guardian, siblings.) If the animal does not have registration papers, the animal may be shown in the commercial class.

**Home Born and Raised Livestock** – Animal must be from family herd from time it was born to present. Must be owned by 4-Her or family enrolled in 4-H. Each exhibitor is allowed one animal in this class per division. Home Born and Raised animals MUST be identified on appropriate identification form, meeting those species requirements and MUST be entered by the pre-entry deadline. Once checked-in at the fair as Home Born and Raised, it will show as such. This includes beef, sheep, and swine animals. These animals will show in the Home Born and Raised classes and then be eligible for the champion drive. Appropriate number of classes will be determined by superintendents and Extension staff.

**NOTE:** All livestock requiring official visual tags as identification for the Fillmore County Fair can have either a 4-H tag or FFA tag. Animals have until check-in time at the fair to declare 4-H vs. FFA, but once it is checked/weighed in it cannot be switched.

### 4. **HEALTH REQUIREMENTS** - All livestock must be in a healthy condition. They must be free of and not exposed to infectious and contagious diseases. All livestock may be inspected by a veterinarian upon arrival to the fairgrounds. Any livestock exhibiting signs or symptoms of contagious disease or illness as confirmed by veterinarian will be removed at once; if severe cases exist they will be handled appropriately by veterinarian, livestock committee and Extension staff.

### 5. **SHOWMANSHIP & OFFICIAL DRESS** - All 4-H members showing livestock may enter and be rated on showmanship. Each competitor must show his own animal. This animal must also be shown in a market or breeding class (excluding bucket or feeder calves). Items that the judge may consider are the member’s skill in handling the animal, proper grooming, raising and training of the animal and general knowledge of the animal. Individual excellence of the animal will not be judged.

**Official Dress:** Exhibitors showing beef, dairy, dogs, cats, pets, meat goats, sheep, swine, poultry, and rabbits are required to wear an official 4-H T-shirt. Dark blue jeans and hard soled shoes or boots are required for beef, sheep, swine, poultry, and rabbit exhibitors. Dairy exhibitors may wear dark blue jeans or white pants. Long jeans/pants are required for cat, dog and small pet exhibitors. While hard soled shoes are not required for the cat, dog and small pet shows, exhibitors are required to wear closed toed shoes with non-slip soles. No hats, caps or other types of headgear are to be worn in the show ring. Exhibitors shall not display commercial or other identification while showing their animals (i.e. Joe Smith’s Club Calves, etc.)

**Horse** exhibitors will use dress code as outlined in 4-H 373, 4-H Horse Show and Judging Guide. If rules on fitting, showing and dress code are not covered in this book on a given subject, the rules that govern the State fair or State Horse Show will be used.

Other contests may require the 4-Her to wear appropriate clothing as set out in contest guidelines, and will include a 4-H chevron attached.

Exhibitors not dressed in appropriate attire as stated above will not be eligible for Champion or Reserve Champion Showman.

### 6. **SUBSTITUTE SHOWMAN** - An animal must be shown by the 4-H owner who entered it unless the superintendent because of military service, serious illness/injury, or disability excuses the exhibitor. An exhibitor who has more than one animal in a class needs to secure approval for another currently enrolled 4-H member to show the additional animal in the class.

### 7. **GROOMING, CLIPPING, AND/OR BLOCKING** - Once the animal is on Fillmore County fairgrounds, grooming and clipping of livestock may only be done by the exhibitor, immediate family members, currently enrolled Fillmore County 4-H exhibitors who are showing, Fillmore County 4-H leader or FC 4-H parent who has kids enrolled in 4-H and are currently showing livestock. Use of other individuals at the fair is not permitted.
Grooming should be done in the designated areas and NOT in the livestock trailer area (i.e. east of the wash racks, west of the Schropfer Building south of the cattle tie outs and north of the show ring). There are no generators allowed in the barns. Exhibitors shall not add materials, natural or synthetic, which extend body shapes beyond normal limits or alter the overall color of the animal. Any exhibitor found in violation of grooming rules will have one warning from the Supt. Committee or Extension Staff, if the violation continues; the exhibitor’s animal involved may be lowered one or two ribbon placing(s) or may be disqualified from the show.

All shows will be blow and go; animals may be clipped, blown and brushed or combed to enhance their appearance. Guidelines for the Blow and Go show:
1. Animals will be shown free of any adhesive, glue, paint, or powder products.
2. Any compounds that have adhesive qualities that when applied cannot be combed or brushed through or alter the color of the animal are forbidden. These products include, but are not limited to commonly used adhesives and colorants such as Prime Time, EZ Comb, Tail Adhesive, Ultra White Touch Up, Black Touch Up, Black Finisher and black show foam.
3. Alcohol, water, oil, foam or any water- or alcohol-based products with no adhesive or glue qualities, or artificial colorings are permitted. These products include conditioners and commonly used sprays such as Kleen Sheen, Revive, Final Bloom and white show foam. Paint will be allowed on the hooves and dewclaws only.

**12. LIVESTOCK AUCTION** - Limited to exhibitors enrolled in 4-H or FFA. Each exhibitor may bring one animal that they personally exhibited (either 4-H or FFA, but not both) to the livestock auction, if desired. Sheets to sign up animals going to the Livestock Auction or to be shipped to the packer shall be posted in the 4-H Livestock office throughout the fair. The sign-up sheets will be taken down 1 hour after the conclusion of the beef show so the committee can put together the sale bill and arrangements can be made for transportation. It shall be the responsibility of 4-H Club Leaders, 4-H exhibitors and their parents to see that their animals are signed up on the sheets. No animals will be added to the auction once the sheets are taken down and the sale bill is printed, unless approved by the committee. Animals sold on the auction must change ownership; it is against the rules to sell an animal to take home or take to another show. Exhibitors are expected to show their own animals unless pre-approved by Extension staff, 4-H Council or superintendents. NOTE: Livestock Auction sale order of species.

**13. LIVESTOCK ENTRIES & ARRIVAL** – See appropriate schedule for times and dates.

**14. ENTRY RELEASE** – Animals must be stalled at the fair for the duration, with the exception of Cow/Calf pairs, feeder calves and open class calves. Premium and support/booster payments will be forfeited for early removal of any exhibit.

**15. PRE-4-H SHOWS** - Pre 4-Hers may borrow an animal from a 4-Her or bring one from home on the day of the show and participate in pee-pee showmanship with the assistance of a 4-Her. Pre 4-Hers are not allowed to show animals in the regular 4-H shows and CANNOT show horses as a part of any 4-H sponsored horse show.

**16. WEIGHT CLASS CHANGE OPTION** - If an exhibitor has two animals in the same class; one animal may be moved to the next heavier class. This change should be arranged with the superintendent as soon as possible so changes in the show order can be reflected on the official programs and so the gate men are prepared. Only one move per exhibitor per species will be allowed.

**17. MARKET ANIMAL DIVISIONS** – If the number of market animals warrants splitting market classes into divisions, superintendents and Extension staff may create the appropriate number of divisions (i.e. light & heavy weight classes or light, medium, and heavy wt. classes) into the show schedule. Division winners will then compete in the champion drive.

**18. UNRULY ANIMAL** - An animal that poses a safety hazard to exhibitors or other animals during the duration of the fair may be required to show individually or may be declared ineligible by the superintendents and/or staff.
19. **STATE FAIR RULES APPLY WHEN COUNTY FAIR RULES ARE NOT ADEQUATE.**

20. **ANIMAL WELFARE SHOULD ALWAYS BE PRACTICED.**

This includes, caring for your animals until they are off the fairgrounds. All exhibitors who do not leave animals access to adequate water until loadout will be asked to conform to this and if the problem persists will NOT be allowed to show the following year. **If you do not have a waterer, one will be provided to you by the 4-H Council.** Fair Officials reserve the right, at its sole discretion, to contact a veterinarian to determine if water should be given.

After load out, you are responsible for picking up your waterer, etc. Thanks for your cooperation!

**HERDSMANSHIP**

Purple 4.50  Blue 4.00  Red 3.50  White  3.00

Livestock exhibitors are expected to keep their areas orderly, neat and as attractive as possible. Once stall assignments are made, scoring will be on those assigned pens used and unused, unless you have contacted the Herdsmanship Superintendent or Extension Staff and it is agreed to adjust the map used by the judges. The entire area including tie out areas, if applicable, may be inspected at any time after 8:00 a.m. in the morning and before 5:00 p.m. in afternoon/evening. Cattle should be in stalls between 8-5:00 p.m. and can forfeit premiums if a problem exists. It is not required for an exhibitor to be present, as the cleanliness of the stalls will show which exhibitors have checked on their animals.

Premiums may be withheld if any member fails to clean their pens or keep animals in stalls until release time. Pens will also be inspected after all animals are gone; this score will be used to start the following year’s Herdsmanship score. Thirty bonus points may be earned prior to the fair; according to how well the assigned area for clubs was cleaned upon conclusion of the **previous** year’s fair and the **current** year’s clean-up day. These areas include the entire fairgrounds. Scores will be posted periodically throughout the fair.

**Scoring Criteria:**

Using a scale of 1-5, with 1 poor, 3 good, and 5 excellent, areas for consideration will include:

- **a)** Bedding (clean and dry) *(No straw)*
- **b)** Aisle (clean, swept, dampened if needed)
- **c)** Identification (stall cards and club sign easy to identify)
- **d)** Animal Cleanliness (evidence that animals/area is cleaned and cared for)
- **e)** Tack (organization and cleanliness of tack area)
- **g)** Overall Impression (what is the impression you have of the display of this clubs exhibit space)
- **h)** Previous years’ stall cleaning (ONE score worth 35 points, based on how well the area was cleaned)

**BONUS POINTS:** Thirty bonus points will be given to clubs who 1) Clean the assigned area upon conclusion of the **previous** year’s fair (15 pts total) and 2) Attend the **current** year’s pre-fair clean-up day and clean assigned area (15 pts total). All judges’ results are final.

**SCORING BY SPECIES OF ANIMAL**

Each club will be scored on each area they have livestock in, no minimum number of exhibits to count as specie for this competition, (this differs from other herdsmanship competitions as described below). A club may have the possibility of four areas: beef, swine, sheep and caged animals (rabbits and poultry). *(Bucket calves are included in the beef area.)*

Ribbons will be given in each of the areas if so earned. On the respective show day, the area is subject to inspection by the herdsmanship committee 30 minutes after completion of final judging of livestock classes. When specie is being shown, no judging will occur. *(i.e. am of sheep show, no am sheep Herdsmanship score)*

**Beef** should be fed in the designated tie out area and not in the barn.
Swine may not be fed in the wash racks. Anyone caught feeding in the wash rack will have their club penalized 20 points in herdsmanship for that half day.

**HIGHEST SCORES IN LARGE ANIMAL SPECIES**

Special Recognition will also be given to the top 4-H clubs or FFA chapters in each species. Each club or chapter must have at least two animal exhibits to compete in that species for the special award. The herdsmanship committee will judge both 4-H and FFA areas for this award. The Earl Houck Memorial Plaque will be presented to the club having the highest overall herdsmanship scores in three species; beef, sheep, and swine.

**SUPREME MARKET LIVESTOCK AWARD – BEEF**

Supreme Market Beef will be awarded to the animal that is the best all-around market animal. Points will be awarded based on placing in live show, UltraSound, and Rate of Gain.

Each category receives 10, 20, 30 or 40 points based on ribbon placing; each category also receives bonus points based on the order of placing (i.e., 1st purple gets more than last purple). Points for ribbon placings are as follows:

- White = 10 points
- Red = 20 points
- Blue = 30 points
- Purple = 40 points

Rate of Gain is calculated according to the rate of gain rules. The ADG of the heifers and steers is ranked from highest to lowest rate of gain with appropriate adjustments ensuring that the last purple ribbon receives higher points than the first place blue, etc.

The carcass calculations are also figured according to ranking. Carcass placings for heifers and steers are lowered a ribbon placing if they are under or over the desired carcass weight and lowered a ribbon placing if they do not grade Choice or better.

Live placings are calculated based on ribbon placing with bonus points being awarded based on the number of animals per class.

For example:

With 9 calves in a class, first place purple receives 40 points plus 8 bonus points because it beat 8 calves in the class. If the class had 3 purples, 5 blues and 1 red, the breakout of points would be:

- 1st purple = 40 + 8 = 48 points
- 2nd purple = 40 + 7 = 47 points
- 3rd purple = 40 + 6 = 46 points
- 1st blue = 30 + 5 = 45 points
- 2nd blue = 30 + 4 = 34 points
- 3rd blue = 30 + 3 = 33 points
- 4th blue = 30 + 4 = 32 points
- 5th blue = 30 + 4 = 31 points
- 1st red = 20 + 1 = 21 points

Points are added together from all three categories, with the highest point total winning the Supreme Beef Award.

**SUPREME MARKET LIVESTOCK AWARD – SHEEP**

*This award will be given contingent on availability of ultrasound availability. It will be scored similar to the supreme beef award.*

**SUPREME MARKET LIVESTOCK AWARD – SWINE**

The purpose of the supreme swine formula is to award youth, points for a hog that did not necessarily excel in one category, but excelled in all three areas. Supreme swine award is calculated by determining the live placing, carcass and showmanship equally.
The only hog eligible for supreme swine is the hog shown in showmanship. A red ribbon in any of the three categories is not eligible to win the supreme swine award.

**Points as follows:**
Live, Showmanship and Carcass Ribbons are worth:
- 30 points = purple
- 20 points = blue
- 10 points = red
- 0 points = white

**Live Placing Bonus Points**
Youth are eligible for bonus points, as follows:
- 5 points = Champion
- 4 points = Res. Champion
- 3 points = any 1st purple in a class
- 2 points = any 2nd purple in a class

*Live bonus points get the highest scored for bonus, but not both*
An additional 2 points will be given for overall champion and 1 point for reserve overall champion.

**Showmanship Bonus Points**
- 5 points = 1st Place in age division
- 3 points = 2nd Place in age division

**Carcass Bonus Points**
- 5 points = 1st Place
- 3 points = 2nd Place

If a tie results, the carcass contest will be the tie-breaker. The hog ranked higher will win.

**LARGE ANIMAL ROUND ROBIN SHOWMANSHIP**

The Round Robin Contest gives an opportunity for the champion Senior showmen from both the 4-H and FFA divisions in each species of large animals to compete head to head for best all-around senior showman honors at the fair. In this contest contestants will be judged on their showmanship skills with each species of animal (beef, sheep, swine, goats). There must be a minimum of five head exhibited at the fair for that species to be included in the Round Robin Showmanship Contest. Exhibitors must receive a purple ribbon in showmanship to qualify for the Round Robin Showmanship contest in a species. In the event the top qualifier in a species of animal has already been selected to compete in the Round Robin this year, (or he/she declines to compete in the Round Robin) the next highest ranking individual who meets eligibility requirements may compete instead. This selection process continues until a representative is chosen or until there are no purple ribbon showmen remaining in that species. Medals will be presented to all Round Robin participants. No premiums are awarded. **Contestants will be allowed to show their own animal in this contest for which they qualified.**

Superintendent(s) of the various species will then select animals to be used in the contest with all showmen showing the same species in the ring at the same time.

There is no limit on how many times a person may qualify to compete in the Round Robin Contest over their career. The winner of the Round Robin Showmanship contest will be eligible to compete at the Nebraska Master Showmanship Contest. If that individual does not meet the Nebraska Master Showmanship contest rules, the youth as ranked by the judge will be eligible to participate. If no youth that participated in the Round Robin Contest are eligible for the Master Showmanship Contest, Fillmore County will not have youth participate for that year. (A list of the rankings will be done by the judge and kept at the Extension Office.) Information on the Nebraska Master Showmanship Contest is available at the Extension Office.
BEEF CATTLE

Hogs weighing under 230 lbs. will be allowed to show (3 pound weight allowance given at time of check in), but will not be eligible to compete for champion/reserve champion trophy/awards.

Any hog weighing 200 lbs or less will not be allowed to show, unless approved by superintendents and extension staff. Classes will be determined by weight. The number of classes will be determined by the swine superintendent and Extension Staff. Hogs must have a live weight of at least 230 pounds to be entered into the livestock auction, unless approved by the auction committee, supt or extension staff. This requirement is for the protection of the livestock buyers who would be receiving heavy packer discounts on the lighter animals and therefore would be paying much lighter premiums than expected.

HORSES

Horse projects are not allowed for youth under 4-H age 8 for safety reasons; 4-H cannot be associated with shows that allow youth under age 8 to participate for liability reasons.

All horse exhibitors are required to complete Beginning Horseman Level One by July 1st of the current fair in order to participate. Level Two must be completed if over age 12 (by 1/1) and if not, riders must wear a helmet to game (barrels, poles, etc.). The helmet must also be provided by the rider. This level is required to compete at 4-H district competition.

RESOURCES: available to study at http://liferaydemo.unl.edu/web/anisci/ANSC4HHorseProgramAdvancementLevels.

AGE DIVISIONS: County Age Divisions take precedence over State Age Division. All classes open to any breed and size of horse.

HEALTH Horses and Ponies - All 4-H horses and ponies exhibited will be required to have been vaccinated for sleeping sickness. The 4-H Council strongly recommends all 4-H horses and ponies exhibited also be vaccinated for bronchial pneumonia (high fever and coughing), a disease contracted by some horses exhibited in previous years. This is for the protection of horse project animals. 4-Hers are encouraged to be current on all shots and vaccinations.

1. Entry limits - Exhibitors may enter up to two horses in performance classes and up to two horses in halter classes with a limit of three different horses. Riders may not compete in more than seven performance classes.
2. No horse may be shown unless identification papers are recorded at the Extension Office by June 15 (May 11 for District and State Horse Show). Member may not show in more than two Halter Classes. Regulations, procedures, and score sheets will be those set forth in Guide for 4-H Light Horse Show and Events in Nebraska. If a horse is to be shown by more than one exhibitor, this needs to be shown on the ID sheet. If a horse is shared by two families, both need to turn in an ID sheet for
that horse and indicate on the ID sheet that another family has identified the same horse. Under no circumstances may a horse be shown in the same event by more than one exhibitor. (If Johnny rides in Jr. Barrels, Susie cannot show the same horse in Sr. Barrels).

3. Pre-Registration Required - Pre-registration deadline has been instituted for horse entries at the Fillmore County fair. Exhibitors must pre-register for all horse events they will be competing in, (including horse showmanship) by turning in their entry sheets at the Extension office during normal business hours no later than pre-entry deadline - see schedule of events. This will give the extension office staff time to type and duplicate the show order and should cut down on confusion at the show.

4. Late Entries - If entry sheets are received in the extension office after the pre-entry deadline, but before the day of the show, the exhibitor will be allowed to compete in the show, but cannot be declared a champion. They will receive a ribbon but will be penalized one ribbon placing, and will not receive premium money for the late entry. UNDER NO CIRCUMSTANCES WILL ENTRIES BE ACCEPTED ON THE DAY OF THE SHOW.

5. The number of age divisions each year will be at discretion of the horse superintendents and extension staff.

6. Age divisions for horse competition for 2018 are planned accordingly:
   - Juniors (ages 8-12 as of 1/1)
   - Seniors (ages 13-18 as of 1/1)
   (Ages for divisions subject to changed based on the number of entrants.)

7. The Fillmore County Horse Show is held for 4-H horse exhibitors. If 4-H exhibitors are physically able to exhibit their horses, they are also expected to prepare their horses for all events. Family and/or friend assistance is welcomed and expected BUT warm-up riding, etc. by persons other than the exhibitor may require immediate and appropriate action by the show superintendents and extension staff. The exhibitor and/or rider will receive one warning if they are warming-up another's horse. If after 1 warning was given and they are still in violation, one ribbon placing deduction will occur for events, which that horse, and exhibitor are competing. If violation continues, the exhibitor will be dismissed from the show.

8. Showmanship Age Divisions: Junior and Senior

9. Barrel Racing Age Divisions: Junior and Senior

10. The walk trot class is intended for younger youth and is only available for the junior divisions. A junior exhibitor can select walk trot or pleasure class, but not both.

Participants will be judged on the way they handle and position their horse, on the way they handle the rope, etc., and for the catches made on the roping dummy.
2  Ranch Roping Level Two- Participants will enter a pen (approximately 1/3 of the arena) where 5 head of cattle will be waiting. Ropers will work with a helper or hazer. When the judge/timer drops the flag, the roper will rope as many head of cattle as he or she can within a 3-minute time limit. A legal catch will consist of any catch that goes over the head or horns. Roper will only use one rope for this class. Ropers are required to use a breakaway hondo, and the free end of a rope is to be dallied to the saddle horn until the hondo breaks. At that point the roper will recoil the rope and rope another animal.
3  Advanced Ranch Roping Level Three – The basic rules for level two apply; however the time limit will be shortened to 2 minutes and the first minute will be catching the head and the second minute will be catching heels. The roper may change ropes between the head and the heels, if desired. (See pgs. 86-89 in NE 4-H Horse Book for more details.)

ALL AROUND HORSEMAN AWARD
Any exhibitor is eligible for the All Around Horseman award which will be calculated using the ribbon placings from the maximum of seven performance classes competed in. Halter, showmanship and lead line are NOT considered performance classes and will not count towards the All Around Award.

DOGS

Will be done in collaboration with Clay County to provide more opportunities for youth. Even numbered years will be hosted by Fillmore County and odd numbered years held in Clay County.

**Procedures** - Those procedures described in Nebraska 4-H Dog Show Guidelines 4H421. Exhibitors are expected to read and follow the information in the State Fair 4-H Dog Exhibitor Letter which is posted on the web with the 4-H dog information. *It is the dog exhibitor’s responsibility to pick up after their dogs at all times.* Dogs soiling in the show ring (during a class) will be lowered one ribbon placing. Dogs soiling anywhere on the show grounds with no pick up will be disqualified from all entered classes on that show day regardless of the person who is holding the dog leash.

**Dog Eligibility** - Exhibitor should provide primary care and training for the dog. The dog should reside with the exhibitor or be cared for by the exhibitor the majority of the year.

**Vaccination** - All dogs must be immunized for distemper, hepatitis, parvo and rabies. The Nebraska must be filled out and signed by a veterinarian and returned as part of the Advanced Entry. The Nebraska State Fair Show Vaccination Record Form (SF263) must document all vaccinations within 1 year or 3 years depending on the vaccine given. All required vaccinations must be given within 1 to 3 years of the show date based on label guidelines. All vaccinations must be in effect at the time of the State Fair Dog Show. Explanation: Some vaccinations are viable for one year and some vaccinations are viable for three years but are specifically designed and administered according to their label. It is not acceptable nor allowed to vaccinate a dog with a 1-year vaccine and plan to have it in effect for 3 years. The SF263 Dog Vaccination Certification form must be submitted for each dog according to the entry guideline due date or will not be allowed to show.

**Arrival Time** - All exhibitors should first check-in at the registration area. They should then check in at their assigned ring(s) 30 minutes prior to judging.

**Number of Entries per Exhibitor** - For State Fair: Youth may enter one showmanship class, two agility classes (using different dogs and in different level of classes), two obedience classes (using different dogs and in different level of classes), and two rally classes (using different dogs and in different level of classes).

**Advancement in Obedience and Agility Classes** - Follow rules in Nebraska 4-H Dog Show Guidelines 4H421.

**Advancement in Showmanship Classes** - Classes are divided into age divisions: Intermediate 10-13, Senior 14-18. Winners of the Senior division will be ineligible in future dog showmanship contests.

**Disqualified Dogs** - Females in season will not be permitted to be shown. Overly aggressive dogs may be disqualified at the discretion of the judge or superintendent. Lame or crippled dogs will not be permitted to show if it is determined by a show superintendent that it is affecting the health of the dog. Also see: A. Procedure for information about disqualification for dog soiling on show grounds.

**Age of Dog** - A dog that is exhibited at the State Fair must be 6 months or older. Agility dogs must be 18 months or older to participate in competition.

**Dress Code** - Exhibitors are required to wear the official State Fair 4-H t-shirt that is given at the Show. Solid blue jeans are required. No headgear is worn in the show ring. Exhibitors shall not display local, county, commercial or other identification while showing at State Fair. Closed toed shoes with a non-slip sole are required.

**Baiting** - Baiting with food or a toy is not permitted and is cause for disqualification. Handlers may use baiting action without food or toys in showmanship. The judge or Superintendent has the authority to disqualify violators.
**Exhibitor Responsibility** - Dogs are not allowed on the floor except while in the show ring or 30 minutes prior to the class for check-in. CLEANUP shall be the EXHIBITOR'S RESPONSIBILITY. This includes all areas while on the show site. Dogs should use the designated dog run area.

At State Fair, non-entered dogs and puppies are not allowed in the grooming area, ring waiting area, public seating areas, or on the arena floor. Only exhibitors are allowed to groom or work dogs at the show, both in and out of the rings.

Substitutions are generally not allowed in obedience and agility classes however; substitutions may be considered at the discretion of the state fair superintendents. A substitute can be selected from the exhibitor’s household family or from the household where the originally entered dog resides. Dog(s) may be substituted only if a superintendent is directly consulted prior to the show date. A Nebraska State Fair Dog Show Vaccination Form (SF 263) must be completed for all substitution dogs and received by the superintendent prior to the show date.

All dogs must remain on a leash held by the exhibitor or a responsible adult at all times. Practicing patterns or other skills outside of the rings is not allowed.

COMPANION ANIMAL GUIDELINES

Class Descriptions:
1. Only those animals listed below will be allowed to show in the Companion Animal Show.
2. Entries in the 4-H Companion Animal Show are judged on the overall health and appearance of the animal, and the exhibitor’s presentation and knowledge of the animal; not judged according to breed standards. Mixed breed animals can be entered and identification is not required. Rabbits shown in the pet rabbit class cannot be shown in the Nebraska State Fair rabbit show.
3. Poster division (#11) can include entries covering any companion animal (including reptiles, companion birds, or others). Poster should be the size of one full standard poster (should not exceed 22”x28”) board. Exhibitors should make a poster with information on the proper care of a companion animal (may include companion animals not exhibited in the Companion Animal Show). However, posters should not cover an animal the exhibitor is showing in the Companion Animal Show in another class. Exhibitors must be present at time of judging and will be judged on quality of the poster, accuracy of information provided, and ability of the exhibitor to explain the information and answer judge’s questions.

Show Procedure:
1. Exhibitors must be present at time of showing. Animals must be housed in a cage at all times of the show unless asked to remove them by the judge. If being shown in a travel cage, exhibitors should bring photographs of the animal’s normal habitat.
2. Each exhibitor will be asked to give a short “showmanship” presentation on their animal. The characteristics, health, and care of the animal should be provided in this presentation. Following the presentation, exhibitors will be interviewed on knowledge of their animal and its care.
3. The judge will evaluate the participant on the following basis: animal health and wellbeing – 35 points, cage evaluation (appropriateness of travel housing as well as description of everyday housing) – 25 points, and overall knowledge and presentation skills – 40 points (See 4-H Companion Animal Judging Sheet for further breakdown in scoring).
4. Participant should bring animal, adequate cage and accessories, completed health certificate for cats and ferrets, and pictures of normal display if appropriate.

Housing:
1. Cats must be brought in durable plastic or wire carriers (not cardboard). Cats will remain in carriers or other appropriate cage provided by the exhibitor except for when being judged. The exhibitor may provide food, water, and litter for the cat in the carrier if necessary. Exhibitors may want to provide a cover for the carrier to prevent their cat from seeing other cats. ALL CATS MUST BE SHOWN ON A LEASH and be on a leash at any time they are removed from the carrier/cage.
2. All other animals should be brought in appropriate housing either their normal cage or a durable plastic or wire travel cage (not cardboard). Cages must be secure. Exhibitors should provide water and food for all animals as appropriate. If a cage/enclosure is deemed inappropriate by the show superintendent, the exhibitor will not be allowed to show.

Eligibility:
To be eligible to show at the Nebraska State Fair Companion Animal Show, the exhibitor must be currently enrolled in the 4-H Cat or Household Pet Project.

Health & Vaccinations:
1. All animals should be free of fleas, ticks, ear mites, ringworm, any internal and external parasite and infectious disease. Required veterinary checks will be performed on each animal entering the show. If any signs of these external parasites or other contagious health conditions are presented, exhibitors will be asked to leave without being allowed into the show area. It is highly recommended that a veterinary check is performed or preventative measures are taken prior to the show to ensure the animal is free of external parasites. All decisions of show officials are final. If an animal shows the possibility of being contagious, it will be considered
a danger to the other animals in the show and will not be allowed to show. Animals that pose a danger to others will not be allowed to enter the building.

2. Cats are required to be current on their vaccinations of Rabies, panleukopenia, viral rhinotracheitis, and calicivirus. Cats must either have a current feline leukemia vaccination or proof of a negative test within 180 days of the show. Proof of vaccinations must be sent in with 4-H entry forms. Exhibitors will not be allowed to show without a signed Vaccination record form.

3. Ferrets must be vaccinated for rabies and have a completed health form signed by the administering veterinarian submitted with registration information.

4. 4-Hers vaccinating their own cats must provide proof by including a statement from their vet on the Vaccination Record Form or by including the vaccination labels on the form and having it signed by a parent. A rabies vaccination is federally mandated to be given by a Certified Veterinarian ONLY. This vaccination must be current and include a veterinarian signature on the Vaccination Record Form.

5. If a cat is not declawed, the claws must be clipped. This will be a point of judging during the competition. No expectant or nursing mother animals may be entered in the show.

Age of Animals:
Minimum age of animals to be shown. All animals must be weaned prior to show.

- Cats: 4 months
- Ferrets: 4 months
- Chinchillas: 7 weeks
- Guinea pigs: 4 weeks
- Gerbils, hamsters, mice, rats: 4 weeks

Rules

1. Entry Tags: Every clothing exhibit must be described on the appropriate entry tag accompanying it (for example: dark blue wool skirt and jacket, red and white figured blouse). Entry tag placement: as you look at the garment place the entry tag securely using straight pins or safety pins on the right side of the garment and the hook of the hanger to the left.

2. Identification Labels: Each item entered as a clothing, knitting or crochet exhibit must have a label attached stating: County, Exhibitor's name and age, project name and class in which garment is entered and the number of years enrolled in the project exhibited. Wool entries must have the fiber content listed on the identification label. Attach a label on every component of the outfit using safety pins or by basting. Not responsible for unlabeled items.

3. Preparation of Exhibits: Please bring all wearable exhibits on wire hangers or hangers with a swivel hook ONLY. All exhibits not suitable for hanging should be entered in a self-sealing plastic bag and hung on a hanger. Wool garments and garments with narrow straps hang better on other hangers, i.e., wooden or notched plastic hangers with a swivel hook. As you look at the garment, place the hook of the hanger pointing to the left. Fasten skirts, shorts and pants to skirt/pant hangers or safety pin on hanger. Each piece should be entered on its own hanger. If more than one hanger is used for an entry, fasten hangers belonging to one exhibit together with twist ties or rubber bands.

5. General: Garments as listed may be made for self (4-H member) or another person. Garments will be displayed by county. 4-H'ers enrolled in clothing projects should continue their skill development. Once you have exhibited in a higher level, you are not eligible to exhibit in a lower level. Ex. Once you exhibit in STEAM Clothing 3, you are not eligible to exhibit in STEAM Clothing 2.

6. Criteria for Judging: Refer to the Nebraska 4-H website for current state fair scoresheets at www.4h.unl.edu. In addition, all entries must conform to rules and regulations as set forth in the current Nebraska State Fair Book

HOME ENVIRONMENT

* Classes marked with an asterisk (*) are not eligible for State Fair.
The purpose of Home Environment is to learn design principles and develop
graphic design techniques. In addition, activities in this category encourage a well-
thought-out design plans and diverse artistic techniques. Be sure to take note of
the rules section to develop a successful project.

RULES
HOME ENVIRONMENT EXHIBITS are evaluated by these criteria:
1. Items must be designed to be used for home decorating, home furnishing or home
management (no clothing, purses, note cards, scrapbooks/photo albums, etc.).
2. Accessories should be of high quality (as compared to quick, simple crafts), suitable
for use in the home several months throughout the year. Holiday-specific items are
discouraged. Exhibits made from kits are also discouraged as kits limit decision making
in the design process.
3. Items should show creativity and originality, along with the application of design
elements and principles. Youth are required to include the design elements and
principles they used, along with simple explanation of how they designed their project
with their exhibit. Information on the elements and principles of design may be found in
the Design Decisions manual, as well as Portfolio Pathways and Sketchbook
Crossroads.
4. Entered in correct class: What medium was changed or manipulated? What medium
is the majority of your exhibit made from?
5. Items should be ready for display in the home: pictures framed, wall hangings and
pictures ready to hang etc. No single mat board or artist canvas panels allowed.
Wrapped canvas (if staples not visible on edge) is accepted without framing. Make sure
hangers are strong enough to support the item. Command Strips are not adequate
hangers. Items not ready for display will be dropped one ribbon placing.
6. Items should not be made for beginning level or other projects (ex: simple (10
minute) table runners or woodworking). Exhibits from the beginning level project,
Design My Place, are county only and not state fair eligible.
7. Size of Exhibits: Exhibits may be no taller than 7 feet and no wider than 6 feet. All
exhibits must be easily lifted by two 4-H staff.
8. Number of Entries per Individual: One entry per exhibitor per class. Limit of two
entries in ALL home environment projects per exhibitor.
9. Entry Tags: An entry tag which includes a clear description of the entry must be
secured attached to each Home Environment exhibit. Use color, pattern or picture
descriptions to aid in identification. No straight pins.
10. Identification: In addition to the entry
tag, a label with the exhibitor’s name and
county should be attached to each separate
piece of the exhibit.
11. Supporting Information: Supporting
information is required for all Home
Environment exhibits. Information must
include elements or principles of design
used and steps taken to complete project.
Tag templates can be found on the 4-H
State Fair website. Or pick up at the County
Office. Exhibits without supporting
information will be dropped a ribbon
placing.

This project area is for items with historic, sentimental or antique value that are restored, repurposed or refinished to keep their original look and value. It is not for "recycled" items. For example, a bench would be considered an heirloom if the original finish is restored, but if decorated by painting it would be considered recycled. Entering highly valuable items (especially small ones) is discouraged, as exhibits are not displayed in closed cases. NOTE: Resources to support this project area are available on the 4-H website. Attach information including: 1. List of steps taken to complete your project. Before and after photos are encouraged. 2. Keepsakes documentation: how you acquired the item and the history of the item. May be written, pictures, audio or video tape of interview with family member, etc.

Grain or Plant Exhibits - Classes 1-5:

A completed Crop Production Worksheet (available at ...) must accompany grain and plant exhibits or it will automatically be deducted one ribbon placing. The worksheet must include the exhibitors name and address, county, plant hybrid or variety, plant population,
whether crop production was irrigated or dryland, and general information including farm cropping history, soil type and weather effects.
The worksheet also must include an economic analysis of the project, listing individual expenses and income, on a per acre basis. Other topics to discuss are the selection of variety or hybrid, impacts of tillage and conservation practices, inputs (fuel, fertilizer, irrigation, labor, pesticides, etc.), any observations made during the growing season and what you learned from your crops project. The worksheet counts as 50% of the total when judged.
Worksheet must be the original work of the individual exhibitor or it will be deducted one ribbon placing.
Attach the worksheet to the entry in a clear plastic cover such that it can be read without removing it from the cover. In addition to the worksheet, grain and plant exhibits will be judged on condition, appearance (i.e. disease and insect damage, grain fill), uniformity (size, shape, color, maturity), and quality of exhibit. Refer to Scoresheet SF264. Grain exhibits must be one gallon per sample. Grain exhibits harvested in the fall (e.g., corn or soybeans) may be from the previous year's project. Display containers will be furnished.
Plant exhibits, with the exception of ears of corn, must be the result of the current year's project. - Corn - 10 ears or 3 stalks (cut at ground level with no roots or soil and bound together)
Grain Sorghum - 4 stalks (cut at ground level and bound together)
Soybeans - 6 stalks (cut at ground level and bound together)
Small grains (oats, barley, wheat, triticale) - sheaf of heads 2 inches in diameter at top tie with stems about 24” long.
Other crops (alfalfa, millet, etc.) - sheaf of stems 3 inches in diameter at top tied with stems cut at ground level or half size small square bale.

• The display should be neatly titled. Make sure to label display with exhibitor’s name, address and county on back side. Explain pictures and graphs clearly and concisely.
• Consider creativity and neatness. Refer to Scoresheet SF259 Each display must have a one-page essay (minimum) explaining why the exhibitor chose the area of display and what they learned from their project. Include any references used.
• The essay should be in a clear plastic cover with the exhibitor’s name outside.
• If a display does not have an essay, it will automatically be deducted one ribbon placing.

RANGE MANAGEMENT
Purple 2.50  Blue 2.00  Red 1.75  White 1.50

All static exhibits must have received a purple ribbon at the county fair to advance to the State Fair.

The purpose of this category is to help 4-H’ers identify and collect range plants. In addition, participants will learn the basics of range management, and Nebraska's range. Through the creation of range boards 4-H’ers will become more proficient in knowledge of Nebraska's range.

Rules:
1. Each exhibit must be properly identified with Unit and Class.
2. All plant displays and display covers must be the result of the current year's work.
3. Plant identification and lists of appropriate plants in each category (grasses, forbs, shrubs, and grass-like plants) can be found in the Range Judging Handbook and Contest Guide (EC150, Revised July 2016), Common Grasses of Nebraska (EC170), and Common Forbs and Shrubs of Nebraska (EC118).
4. The purpose of these exhibits is to demonstrate to the public the benefits from the study and application of crop, weed, range and soil sciences to solving problems in management, conservation, sustainability and environmental protection.
5. For guidelines on specific projects, refer to appropriate project manuals. Premier 4-H Science Award is available in this area. Please see General Rules for more details.

Books (Classes 1-6):

For books, plants must be mounted on sheets that are no larger than 14” wide by 14” high. Plants should be glued rather than taped and the mounts should be protected with a clear cover. Proper plant mount should include root, as well as stem and leaf tissue. Exhibits will be judged based on completeness of plant mount, accuracy of identification, labeling, neatness and conformation to project requirements. Each completed mount must have the following information (see example below) in the lower right corner of the mounting sheet:

| Scientific name: Schizachyrium scoparium (Michx.) Nash |
| Common name: Big bluestem |

D330003 Growth Season Book – A collection of 6 cool-season grasses and 6 warm-season grasses.

D330004 Origin Book – A collection of 6 native range grasses and 6 introduced grasses. Introduced grasses are not from North America and often used to seed pastures.

D330005 Major Types of Range Plants Book – A collection of 3 grasses, 3 forbs, 3 grass-like, and 3 shrubs.

D330006 Range Plant Collection Book – A collection of 12 range plant mounts with something in common (i.e. poisonous to cattle, or historically used as food by Native Americans, or dye plants, or favorite antelope forage, etc.). Include a short paragraph in the front of the book which describes what the plants have in common and why you have chosen to collect them.

D330007 Parts of a Range Plant Poster – Mount a range plant on a poster board. Label all the plant parts. Include the plant label in the lower right corner, including the scientific and common name of the plant. Put your name and 4-H county on the back of the poster.

D330009 Junior Rancher Board – This exhibit should include a ranch map with a record book or an appropriate educational display on some phase of rangeland or livestock management. A short essay must accompany the display to explain the purpose of the rancher board, what was learned, etc.

FORESTRY

Purple 3.50 Blue 3.00 Red 2.50 White 2.00

All static exhibits must have received a purple ribbon at the county fair to advance to the State Fair.

This category provides 4-H’ers an opportunity to prepare displays that shows their expertise in many aspects of forestry. Involvement in this category will lead to expansion of seed, twig, wood, leaf, and tree knowledge for 4-H’ers. In addition, participants would learn more about common Nebraskan trees.

Rules:

1. The official reference for all forestry projects is the Tree Identification Manual (4-H 332) which was recently revised and is available for purchase from UNL Marketplace. Other helpful forestry references include Trees of Nebraska (EC 92-1774-X), Leafing Out (4-H341) and Plant a Tree (EC 17-11-80).
2. Display "boards" must be made from wood or wood composite, e.g. plywood, fiberboard, or masonite, 1/4" to ½" thick and no larger than 24" x 24". Display boards may be coated, e.g., painted or varnished, on both sides to prevent warping.
3. Display "posters" must be made from a material, e.g. foam board or poster board, that will stand upright without buckling, and be no larger than 24" x 24".
4. Display "books" must measure no more than 16" x 16".
5. At least 5 of the 10 samples in Class 2, 3, 4, and 5 must be from the list of 60 species described in 4-H 332. Samples must be from 10 different tree species. For example, Emerald Queen Maple and Crimson King Maple are both varieties of the same species (Norway Maple), and thus have the same genus and species name, i.e. Acer platanoides. All samples must be from trees, NO shrubs. If more than 10 samples are included in the display, only the first 10 samples from the current year will be judged.
6. Due to emerald ash borer infestation, no true ash species (Green Ash, White Ash, Black Ash, or Blue Ash) may be included in any collections. Inclusion of a true ash species will result of the project being disqualified.
7. Remember that other general labeling standards apply. For example, scientific names are always italicized or underlined. Also, the first letter of a Genus name is always capitalized. The first letter of a species name is always lower case. When required, always indicate complete scientific names (Genus and species) and common names, (e.g. Norway Maple) even when “variety names” are included. For example, the scientific
name of Emerald Queen Maple is Acer platanoides and the common name is Norway maple. “Emerald Queen” may be included as the variety name, but variety names are not required.

8. How well the exhibitor follows written directions is an important factor in judging.

Dept. D Division 320

Classes:

**D320001 - Design-Your-Own Exhibit**
Prepare an educational exhibit of some aspect of trees, forests or forestry that is of special interest to you. Possible topics include paper recycling, wild fire, forest products, forest wildlife, or forest pests. The only requirement is that the display be no larger than 24 inches by 24 inches by 24 inches. Photographs, drawings, samples, charts, posters, etc. can be used but, include enough information to adequately explain the topic. Your display should be substantially different from other display classes. Be as creative as you like.

**D320002 - Leaf Display:** The leaf display should include samples of “complete leaves” from 10 different tree species. The display must include at least two samples of simple leaves, compound leaves, and conifer leaves. Leaves should be pressed, dried and mounted.

*Collection:* Whenever possible, collect leaves from mature trees. Collect leaves any time after they have reached full size, usually beginning in early summer. Leaf samples should be in good condition, representative of the average leaves on the tree. Keep in mind that shaded leaves often are much larger than normal. Carefully remove leaves from the twig with the entire petiole or rachis intact. After collection, fresh leaf samples can be temporarily stored within the pages of an old magazine, but they should be properly pressed and dried for display. Be sure to record pertinent information during collection. All collection must be done by the exhibitor.

*Mounting:* Leaves may be displayed in a notebook or on a display board. Any method may be used to mount leaves, e.g. wire, glue, tape, staples, plastic bags, but be sure all their features can be clearly identified.

*Labeling:* The label for each sample must include:
1) common name
2) scientific name
3) leaf type
4) leaf arrangement (for broadleaf trees)
5) leaf composition (for broadleaf trees)
6) collector’s name
7) collection date
8) collection location (be specific, state and county at a minimum)
If a twig is included with a sample, indicate “twig included” on the label. For example, the twig may be included with an eastern cedar sample because the leaves are very small and difficult to remove from the twig.

Supplemental information, e.g. general uses, common products, fall color, etc., may be included with the display to enhance its educational value.

**D320003 - Twig Display**
The twig display must include twig samples from at least 10 different tree species. The display must include at least two samples of opposite and alternate leaf arrangements from broadleaf trees.

*Collection:* Twig samples should be collected during the dormant season (November – April) when the buds are mature. Twig samples must be at least 6 inches long and exhibit buds. Leaves must be removed and side branches must be trimmed to less than 1 inch in length. All collection must be done by the exhibitor.

*Mounting:* Twigs must be mounted on a display board. Any method, e.g. wire, glue, tape, staples, plastic bags, may be used to mount twigs, but be sure all features can be clearly identified. The non-terminal end must be cut at a slant so the pith can be seen.

*Labeling:* The label for each sample must include:
1) common name
2) scientific name
3) leaf arrangement (for broadleaf trees)
4) collector’s name
5) collection date
6) collection location (be specific, state and county at a minimum)

Supplemental information, e.g. general uses, tree characteristics, etc., may be included with the display to enhance its educational value.

**D320004 - Seed Display**

The seed display must include seed samples from at least 10 different tree species.

**Collection:** Tree seeds should be collected at the time of year when they are mature, which varies widely depending upon tree species. For example, Silver maple seeds mature in May while red oak acorns do not mature until September. Seed samples should be free of insects or disease symptoms. Remember to display seeds, and not fruit. For example, the seed of honeylocust is enclosed in a pod. Remove and display the seed not just the pod. It is acceptable to display the fruit with the seed, but clearly label each. All collection must be done by the exhibitor.

**Mounting:** Seeds may be displayed in a variety of ways, e.g. mounted on a display board, displayed in jars in a rack, etc., but they must be securely mounted and easily viewed. Be as creative as you like.

**Labeling:** The label for each sample must include:
1) common name
2) scientific name
3) type of fruit, if known (e.g. samara, pod, nut, legume, etc.)
4) collector’s name
5) collection date
6) collection location (be specific, state and county at a minimum)

Supplemental information, e.g. general uses, tree characteristics, etc., may be included with the display to enhance its educational value.

**D320005 - Wood Display**

The wood display must include wood samples from at least 10 different tree species.

**Preparation:** Samples may be of any shape, e.g. sections from a board, wood cylinders turned on a lathe, horizontal or vertical cross sections of a small log with bark attached, etc. but all samples should be the same shape, e.g. all wood cylinders or all sections of a board. Each sample can be no larger than 4 inches by 4 inches by 4 inches. Cut surfaces should be sanded to show the grain. Treating samples with a clear finish (no stain) is optional. All collection must be done by exhibitor.

**Mounting:** Samples may be displayed in a variety of ways, e.g. mounted on a display board, displayed in a box or rack, etc. but they must be securely mounted and easily viewed. Be as creative as you like.

**Labeling:** The label for each sample must include:
1) common name
2) scientific name
3) wood type (softwood or hardwood)
4) collector’s name
5) collection date
6) collection location (be specific, state and county at a minimum)

Supplemental information, e.g. common products, wood density, etc., may be included to enhance its educational value.

**D320006 - Cross Section**

Display a disc cut from a tree species listed in 4H 332. The sample must be collected, by the exhibitor, within one year of the state fair judging day. The disc must measure 6 to 12 inches in diameter and 1 to 3 inches thick. The bark should be firmly attached, which may be difficult if the tree was dead when the disc was cut. Sand at least one side of the disc so the grain can be easily seen. The disc may be treated with a clear finish, but treat both sides to minimize warping. As the disc dries, some cracking or checking can be expected and is allowed.

**Labeling:** The following parts must be clearly and accurately labeled on the cross section with pins, paper tags, or some other form of identification: 1. Pith 2.
A separate label attached to the back of the disc must include: 7. Common name
8. Scientific name 9. Tree classification (softwood or hardwood) 10. Age (of the
cross section) 11. Collector's name 12. Collection date 13. Collection location (be
specific, state and county at a minimum)

D320007 - Parts of a Tree (This project is only for ages 8 – 11)
Prepare a poster, no larger than 24 inches x 24 inches that clearly identifies the
Fruit 7. Buds 8. Bark Identifying other internal parts, e.g. phloem, xylem, cambium,
annual ring, pith, etc., is optional. Attach a separate label on the back of the poster
that includes the exhibitor's name and age.

D320008 - Living Tree Display
Display a living tree seedling grown by the exhibitor from seed in the display
container. The seed must be from a species listed in 4H 332. The seedling must
be 60 days to 1 year old (on State Fair judging day). The display container must
contain at least 8 inches of soil (potting mix or suitable natural soil), have drainage
holes, and a drain pan to catch drainage water.
Labeling: A waterproof label must be attached and include: 1. common name 2.
scientific name 3. seed treatments (if any) 4. planting date 5. emergence date 6.
collector's name
Supplemental information about the tree: e.g. where the seed was collected, growth
measurements, uses for that species, etc., may be included in an attached
notebook, poster, etc. to enhance educational value. Supporting information will be
an important factor in judging.

CONSERVATION AND WILDLIFE
Purple 3.50 Blue 3.00 Red 2.50 White 2.00
All static exhibits must have received a purple ribbon at the county fair to advance to
the State Fair.
Participants have the opportunity to create a variety of exhibits in the different divisions.
This category gives 4-H'ers the opportunity to present their knowledge of their
chosen interests. 4-H'ers will not only show their knowledge about conservation,
wildlife, and shooting sports, but also the different laws that surround those areas.
When creating an exhibit make sure to take close account of the rules.

Rules:
1. Show What You Did and Learned: All exhibitors are encouraged to show evidence
of their personal field experiences or observations that relate to their exhibit. This helps
judges understand what the 4-H'er did and learned in the process that led to the exhibit.
2. Proper Credit: Show proper credit by listing the sources of plans or other supporting
information used in exhibits.
3. Whose Exhibit?: The exhibitor's name, county, and age must be on the back or
bottom of all displays so that the owner can be identified even if the entry tag becomes
separated from the exhibit.
4. Wildlife and Wildlife Laws: "Animal" or "wildlife" in the following instructions includes
wild fish, amphibians, reptiles, birds, or mammals. Follow wildlife laws; example: wildlife
laws do not allow collection of bird nests, eggs, or any of their parts.
5. Project Materials: Related project booklets include Exploring Your Environment
Series, 4-H Shooting Sports, Amphibians, Bird Behavior (EC 59381), Fishing for
Adventure Project Manuals, Wildlife Conservation (4-H 125), Outdoor Skills: Learning
Science in the Outdoors series (Science Signature Outcome Program).
6. Board and Poster Exhibits: These are displays that show educational information
about a topic of interest. Board exhibits can hold objects such as fishing equipment or
casts of animal tracks. Mount all board exhibits on ¼" plywood, Masonite, or similar panel
no larger than 24" high by 24" wide. Poster exhibits should be on regular poster sheets,
no larger than standard size (22 by 28 inches) but half size, 22 by 14 inches, is recommended.

Classes 1-4 are board or poster exhibits. Display may show any aspect of wildlife, wildlife habitat, or related conservation. Examples are: Life history or other facts about one type of wildlife; how to manage wildlife on a farm or in town; managing habitat for one kind of wildlife; life requirements for one kind of wildlife during one season or through the year; wildlife behavior and habitats. For more ideas, refer to project booklets.

Dept. D Division 340
Classes:
D340001 - Mammal Display
D340002 - Bird Display
D340003 - Fish Display
D340004 – Reptile or Amphibian Display
D340005 - Wildlife Connections Board or poster exhibit. The purpose of this display is to show interconnections and related aspects among animals, plants, and other habitat components. All displays should show two or more interactions (connections) that occur between/among animals or between animals and their habitat. Displays might show how animals interact with other animals, with people, or with their habitat. Examples: - Food chain display. Use pictures, drawings, or other items to illustrate the source of food energy and where it goes - who eats whom or what. Use arrows to show the direction of the energy (food) flow. - Show the role of predators, scavengers, insect eaters, or others in nature. - Show how wildlife numbers (populations) change through the year. - Show predation, competition, or other behavioral interactions of wildlife. - Choose one kind of wildlife and make observations through a season or year, keep notes of interactions, then make a display of what you saw.

D340006 - Wildlife Tracks Exhibit - Board or diorama-type box exhibit. Make a display of animal tracks using plaster-of-paris casts. There are 3 options. For all options, include a brief description of your experiences in making the tracks so the judges better understand what you did and learned. Positive casts (impressions as they would be in nature) are preferred. - Option 1 should show plaster-of-paris tracks of five or more kinds of wildlife along with a picture or illustration of each kind of animal. (OR) - Option 2 should show two or more plaster-of-paris tracks of one specific kind of wildlife and should include a picture or illustration of the animal, what the animal may eat, and what may eat the animal. (OR) - Option 3 should show two tracks and include the animal's habitat needs including preferred food, shelter, water, and space in addition to picture or illustration of the animal.

D340007 - Wildlife Knowledge Check – Use electrical circuits, pictures or other methods of teaching wildlife identification or other wildlife related knowledge. Maximum size 24 x 24".

D340008 - Wildlife Diorama – Box must be no larger than 24” x 24”. The exhibit might show a grassland, prairie, agricultural, woodland, riparian (stream or river corridor), wetland, and/or other area with wildlife habitat. Example: show a large unbroken grassland or prairie for species such as meadowlarks, greater prairie-chicken, lark bunting, grasshopper sparrows, ferruginous hawk, burrowing owl, horned lark, upland sandpiper, or pronghorn; and/or show an area interspersed with several habitats such as windbreaks, farm fields, woods, waste areas, ditches, and pastures for edge-adapted species such as white-tailed deer, northern bobwhite, mourning doves, cottontail rabbits, fox, squirrels, northern cardinals, or blue jays. Label the habitats displayed and indicate, in relation to the habitats shown, at least 5 kinds of wildlife in their proper habitats.

D340009 - Wildlife Essay – Learn how to share educational information by writing. Choose a conservation or wildlife topic that interests you and write an essay about it. Examples: write about a particular species of wildlife you have observed, or about the values of wildlife, wildlife on a farm, in town, backyard feeder or other places, hunting, fishing, ethics and proper behavior for hunting or fishing, etc.
Essay should be between 100 and 1000 words and typed, double spaced on, (8 ½” x 11”) paper. You might use books, magazines or personal interviews as resources, but you must give credit to all sources by listing them.

D340010 - Wildlife Values Scrapbook – Scrapbook about the various values of wildlife following the guidelines in the Wildlife Conservation project booklet (4-H 125).

Entomology exhibits give 4-H'ers the opportunity to demonstrate their knowledge about insects and insect displays. This category has multiple projects that allows 4-H'ers to progress over numerous years. For help getting started with this project contact your county 4-H extension office.

**Rules**

1. Specimens in display collections should be mounted properly and labeled with location, date of collection, name of collector, and order name. Follow mounting and labeling instructions in the Nebraska 4-H Entomology Manual. Boxes are preferred to be 12” high X 18” wide, and landscape orientation, so they fit in display racks. Purchase of commercially-made boxes is allowed. All specimens must be from the collector.

**Dept. H  Division 800**

**Classes:**

**H800001 - Entomology Display, First-year project.** Collection to consist of 25 or more different kinds (species) of insects representing at least 6 orders. Limit of one box.

**H800002 - Entomology Display, Second-year project.** Collection to consist of a minimum of 50 kinds (species) of insects representing at least 8 orders. Replace damaged or poorly mounted specimens. At least 25 species must be present from after July 1 of the previous year. Limit 2 boxes.

**H800003 - Entomology Display, Third-year project.** Collection to consist of a minimum of 75 kinds (species) of insects representing at least 10 orders. Replace damaged or poorly mounted specimens. At least 25 species must be present from after July 1 of the previous year. Limit of 3 boxes.

**H800004 - Special Interest or Advanced Insect Display – Educational display developed according to personal interests and/or advanced identification capability.** This also is an opportunity to highlight favorite insects in a creative arrangement. Insects should conform to pinning and mounting standards as in Classes 1-3 and be protected in an insect box. Each specialty display should include names of the insects, interesting information about them, and why the display was made. Advanced identification collections should have insects grouped with labels that correspond with identification level (e.g. family, genus, species). A specialty collection may consist of insects by taxonomic group (e.g. butterflies, grasshoppers, dragonflies, scarab beetles) or by host, subject or habitat (e.g. insect pests of corn, aquatic insects, insect mimicry, insect galls, insects from goldenrod, insect pollinators, etc.).

**H800005 - Insect Habitats** - Habitats consist of any hand-crafted objects, made of natural or artificial material which are placed outdoors, and which promote or conserve insects in the environment. Insects may include bee pollinators, butterflies, beneficial insects, etc. A one-page report must accompany the exhibit.

**H800006 - Macrophotography** - Subjects should be insects, spiders or other arthropods, or any nests, webs or constructions they make. All exhibit prints should be 8½” x 11” and mounted on rigid, black 11” X 14” poster or black matt board. Either orientation is acceptable. No frames or mat board framing is allowed. A short caption explain the subject, printed on white paper and glued below the print on the poster board.

**H800007 - Insect Poster/Display Exhibits** - Exhibits can be posters or three-dimensional displays, and artistic creativity is encouraged. Posters should be no larger than 22” x 28”. They should be instructional and can be attractive and have pictures, drawings, charts, or graphs. Posters and displays may show any aspect of insect life, habitat, or related conservation or management. Examples include life history and other facts about an insect; insect anatomy; how to manage insects in a farm, home, lawn, or garden setting; experiences rearing one kind of insect; survey of an important insect; insect behavior (ex. nesting, finding food, mobility, defenses, etc.); habitats (e.g. forests, grasslands, wetlands, rivers, or lakes) and what insects are found there, etc. Three-dimensional displays, such as dioramas,
sculptures, models or decorative boxes should have a page of explanatory information accompanying them and fit within a 22” x 28” area.

**H800008 - Reports or Journals** - Reports and journals should be in a 3-ring binder. A report may be informational, that is, an original article about a favorite insect, a history of insect outbreaks, diseases caused by insects, insects as food, etc. Or, it may be a research report about an investigation or experiment done in a scientific manner. It then should have a basic introduction of the insect studied, methods used, observations, and results of the project. Tables, graphs and images are helpful to include. A journal is an observational study over a period of time with personal impressions. It may cover watching changes in kinds of butterflies over the summer, rearing a specific insect from egg to adult, managing a bee hive, observations of insects in a specific habitat, accounts of insect behavior in a forest or flower garden, etc.

There is also a special gardening project in this category that 4-H'ers can participate in. For more resources and materials in this category refer to the resource section at the bottom of the page.

**Rules**

**FLORICULTURE (CLASSES 1-46)**

1. Classes 1-23: Cut Flower Annuals and Biennials - 5 stems of a single variety (cultivar) unless otherwise noted in parenthesis.
2. Classes 30-46: Cut Flower Perennials - 5 stems of a single variety (cultivar) unless otherwise noted in parenthesis.
3. The cultivar or variety name must be included on all entry cards. Failure to identify the cultivar or variety will drop the entry one ribbon placing. Proper identification is the responsibility of the exhibitor, not the Extension staff or office personnel. For Floriculture, punch hole in the top center of entry tag, use a rubber band to securely attach entry tag to containers.
4. Exhibits entered under an incorrect class number or containing an incorrect number of stems will be dropped one ribbon placing. In classes 23, 45 & 46, do not duplicate entries with the classes listed by using other cultivars or varieties, or entry will be dropped one ribbon placing. For example 4-H'ers with two cultivars or varieties of marigolds can only enter the marigold class and cannot enter the other cultivar or variety in any other class. A perennial is defined as a plant of which the crown overwinters. An annual is a plant that grows from seed each season, whether self-seeded or planted by the gardener. A biennial is a plant that germinates, grows and overwinters as a crown, blooms the following year and dies. Foliage will be considered when exhibit is judged.
5. All 3 or 5 stems of cut flowers should be the same cultivar and color, do not mix cultivars and colors. Containers will not be judged; however, they should be clear glass containers that won't tip over (No plastic containers at State Fair) and of adequate size to display blooms. Any exhibit not in a clear glass container will be dropped one ribbon placing. Containers will not be returned at State Fair.
6. Follow the guidelines in 4-H Preparing Cut Flowers for Exhibits 4H227 (revised 2016) unl.box.com/s/2f3a785c67p7qhasevp6gu6adf3ugon when preparing entries for the fair.

SCIENCE, ENGINEERING & TECHNOLOGY

VETERINARY SCIENCE

Purple 2.50  Blue 2.00  Red 1.75  White 1.50
All static exhibits must have received a purple ribbon at the county fair to advance to the State Fair.

The purpose of a Veterinary Science exhibit is to inform the public about a common health problem of animals or a veterinary science principle. Do not confuse veterinary science exhibit topics with animal husbandry or production topics.

Rules
1. A Veterinary Science exhibit may consist of a poster, notebook or a display. The exhibit may represent material from any of the Veterinary Science projects including entry level exhibits from Unit I.
2. If photographs are to be part of the exhibit, remember that they will be viewed by the public. Make sure that the photographs are in good taste and will not be offensive to anyone. Graphic photographs of excessive bleeding, trauma or painful procedures are not appropriate. For exhibits related to veterinary surgical procedures, aseptic techniques need to be shown, for example, use of drapes, use of sterile procedures, wearing of gloves, and other appropriate veterinary medical practices.
3. First-Aid Kits: Because of public safety concerns and risk of theft of first-aid kit contents (veterinary drugs/equipment) with perceived potential for drug abuse, animal first aid kits containing any drugs or medications will be immediately disqualified and not displayed. First Aid kits wishing to include medication information should instead utilize written
descriptions, photographs, drawings, computer generated print-outs, or empty packaging of pharmaceuticals.

4. Veterinary Science Posters - This exhibit presents the viewer with a design that is simple and direct, unlike a display that usually presents more information. A poster should not exceed 22” x 28” and may be either vertical or horizontal.

5. Veterinary Science Displays - A display may include but is not limited to: a 3-dimensional exhibit, a scale model, the actual product (for example: skeleton; teeth; samples of leather, fur, or dried skin damaged by disease or parasites) or a notebook. A display is not a poster. A display may be mounted on poster board not to exceed 22” x 28” or on 1/4” plywood or equivalent that does not exceed 24” high or 32” wide or in a three ring binder or another bound notebook format.

Dept. H Division 840

Classes:

H840001  4-H Veterinary Science Large Animal Poster, Notebook or Display

H840002  4-H Veterinary Science Small Animal/Pet Poster, Notebook or Display

Rules

1. Appropriate Veterinary Science Topics:
   • Maintaining health
   • Specific disease information
   • Photographic display of normal and abnormal characteristics of animals
   • Animal health or safety
   • Public health or safety
   • Proper animal management to ensure food safety & quality
   • Efficient and safe livestock working facilities
   • Or a topic of the exhibitors choosing related to veterinary medicine or veterinary science

*Remember, since these are science displays, all references and information needs to be properly cited. Proper sources include but are not limited to: Professional journals and publications, professional AVMA accredited websites, interviews with Veterinarians and excerpts from Veterinary Educational Literature. Plagiarism will result in a disqualification. Please study your topic and present the information to your audience in your own words.

SET AEROSPACE (Rockets/Drones)

Purple 3.00   Blue 2.50   Red 2.00   White 1.50

All static exhibits must have received a purple ribbon at the county fair to advance to the State Fair.

This category gives 4-H’ers a chance to display the rockets and drones they have created. Through participation in this category 4-H’ers will show judges what they learned about and how they adapted their exhibit throughout this project. Involvement in SET Aerospace gives participants a first-hand experience in modern technology. For help getting started with this project contact your county 4-H office.

Rules

1. The name and county of each exhibitor should appear separately on the back of each board, poster or article and on the front cover of the notebooks so owner of the exhibit may be identified if the entry tag is separated from the exhibit.
2. Each individual is limited to one exhibit per class. All static exhibits must have received a purple ribbon at the county fair to advance to the State Fair.
3. Several classes require a display board which should be a height of 24 inches and not to exceed 1/4-inch thickness. A height of 24 7/8 inches is acceptable to allow for the saw kerf (width) if two 24 inch boards are cut from one end of a 4 foot by 8-foot sheet of plywood. Nothing should be mounted within 3/4 inch of the top or bottom of the board. (Example: Woodworking & Electricity.)
4. Fabricated board such as plywood, composition board, or particle-type lumber may be used for demonstration displays.
5. Demonstration boards should be sanded and finished to improve their appearance. The finish on a demonstration board will be judged as a woodworking exhibit.
6. Demonstration boards should include an overall title for the display, plus other necessary labeling.
7. Reports should be written using the scientific method whenever possible (Background, the Question or hypothesis, what you plan to do and what you did, Method used and observations, Results: what you learned. All reports should be computer generated and enclosed in a clear plastic cover. The reports should be attached securely to the display.
8. Reports should be written using the scientific method whenever possible (Background, the Question or hypothesis, what you plan to do and what you did, Method used and observations. Results: What you learned. All reports should be computer generated and enclosed in a clear, plastic cover. The reports should be attached securely to the display.
9. Premier 4-H Science Award is available in this area. Please see General Rules for more details.
10. Rockets must be supported substantially to protect the rocket from breakage. Rockets are to be mounted on a base that has dimensions equal or less than 12” x 12” and the base should be 3/4” thick. No metal bases. If the rocket fins extend beyond the edges of the required base (12” x 12”), then construct a base that is large enough to protect the fins. The base size is dictated by the size of the rocket fins.
11. The rockets must be mounted vertically. Please do not attach sideboards or backdrops to the displays. In addition, a used engine or length of dowel pin is to be glued and/or screwed into the board and extended up into the rockets engine mount to give added stability.
12. Rockets must be equipped as prepared for launching, with wadding and parachute or other recovery system. Rockets entered with live engines, wrong base size or sideboards will be disqualified.
13. A report, protected in a clear plastic cover, must include: 1) rocket specification (include original or photo of manufacture packaging stating rocket skill level), 2) a flight record for each launching (weather, distance, flight height), 3) number of launchings, 4) flight pictures 5) Safety (how did you choose your launch site? Document safe launch, preparations, and precautions) 6 objectives learned and 7) conclusions.
14. The flight record should describe engine used, what the rocket did in flight and recovery success. Points will not be deducted for launching, flight or recovery failures described. This includes any damage that may show on the rocket. Complete factory assembled rockets will not be accepted at the State Fair.
15. Judging is based upon display appearance, rocket appearance, workmanship, design or capabilities for flight, number of times launched and report. Three launches are required to earn the maximum launch points given on the score sheets. For scoring for the State Fair, only actual launches count, misfires will not count towards one of the required three launches.
For self-designed rockets only, please include digital recorded copy of one flight. In the documentation please include a description of stability testing before the rocket was flown.
Skill level of project is not determined by number of years in project. Skill level is determined by the level listed on the manufacturing packaging.
4-H Rocket project levels are not intended to correspond to National Association of Rocketry model rocket difficulty ratings or levels.
High power rockets (HPR) is similar to model rocketry with differences that include the propulsion power and weight increase of the model. They use motors in ranges over “G” power and/or weigh more than laws and regulations allow for unrestricted model rockets. These rockets are NOT appropriate for 4-H projects and will be disqualified.

In the notebook include: A) A photo (front and back) of the finished project. Also include detailed photographs of the project to allow judges to examine cuts. B) Instructions on how the design was created, this allows for replication of the project. C) Lessons learned or improvements to the project.

**H92006 - Composite Weld Project** - 60% of the project must be welded and 40% made from other materials such as wood, rubber, etc. All plans, plan alternations, and a bill for materials must be attached to the article. Protect plans with a cover. If project is designed to be outside it is required to have appropriate outdoor finish because project may be displayed outside.

**Rules**

1. All welds exhibited in class 1 or 2 must be mounted on a 12” high x 15” long display board of thickness not to exceed 3/8”. Attach each weld on a wire loop hinge or equivalent, so the judge can look at the bottom side of the weld when necessary. Each weld should be labeled with information stated 1) type of welding process (stick, MIG, TIG, Oxy-Acetylene, etc.) 2) kind of weld, 3) welder setting, 4) electrode/wire/rod size, and 5) electrode/wire/rod ID numbers. Attach a wire to display board so it can be hung like a picture frame. No picture frame hangers accepted. If no plans are included with welding article or welding furniture, item will be disqualified.

2. **4-H Welding Project Tips and Suggestions: Class 1**

1. All welds should be made with the same electrode/wire/rod size and number.
2. Welds should be made only on one side of metal so penetration can be judged.
3. Welds should be cleaned with a chipping hammer and wire brush. Apply a coat of light oil (penetrating oil) to the metal to prevent rusting. Wipe off excess oil.
4. It is suggested that all welds be on the same size and thickness of metal. These pieces, referred to as coupons, should be 1.5 to 2 inches wide and 3.5 to 4 inches long. A good way to get this size is to buy new cold rolled strap iron and cut to length. The extra width is needed to provide enough metal to absorb the heat from the welding process and prevent the coupons from becoming too hot before the bead is completed. Narrower coupons will become very hot, making an average welder setting too cold at the bead start, just about right in the middle, and too hot at the end. The correct way to weld narrow strips is to make short beads and allow time to cool, however this project requires a full length bead.
5. Stick welding: Suggested coupon thickness - 1/4” if using 1/8” rod. Suggested rod-AC and DC straight or reverse polarity- first E-7014, second E-6013
6. MIG welding: Suggested coupon thickness - 1/4” if using .035 wire and 1/8” if using .023 wire
7. Oxy-Acetylene: Suggested coupon thickness - 1/8”. Suggested rod– 1/8” mild steel rod 4-H

3. **Welding Project Tips and Suggestions: Class 2**

1. All welds should be cleaned and protected from rust with paint or light oil. Plans are to be complete enough that if they were given to a welding shop, the item could be made without...
further instructions. Bill of materials should include a cost for all items used including steel, electrodes, paint, wheels, etc.
All outside projects MUST have entry tag and supporting information placed in a protective bag to prevent damage from weather events such as rain and be ATTACHED to projects with string, zip ties, etc.

**NEBRASKA STATE FAIR CONTEST RULES**

The Nebraska State Fair Best in County Needlework Contest has been replaced by the following two separate contests:

**Best in County Quilts**: This contest will be part of the Quilt Department and entries will be displayed in the Quilt Hall of the Exhibition Building.
**Best in County Textile Arts:** This contest will be part of the Textile Arts Department and entries will be displayed in the Fonner Park Concourse, Textile Arts area.

**Rules for each contest:**
- Each county may select their one best quilt to enter in Best in County Quilts and their one best needlework item other than a quilt to enter in Best in County Textile Arts.
- The entry for each contest must be selected at the local county fair.
- In the case of joint county fairs, each county may have one entry in each of the Best in County contests.
- If county fair is held during or after the Nebraska State Fair (NSF), the exhibit will be eligible to compete in 2017.
- The exhibitor must be a resident of the county submitting the entry.
- If a second person is involved in the exhibit (i.e. a commercial quilter) that person must be a Nebraska resident.
- If the first place exhibitor declines, an alternate exhibitor may enter.
- The entry in each contest must be one that would qualify to be entered into an existing class in the respective NSF departments. Not all county fair department classes are consistent with NSF department classes (i.e. quilted table runners and some other quilted items are in the Textile Arts Department at the NSF.) Review the various classes available in the 2017 Quilt and Textile Arts Departments. See Domestic Entry Books at www.statefair.org
- All entries must comply with all rules of the respective NSF departments.
