- 9 Pre Fair Contest Day
- 10-15 Fillmore County Fair
- 23 Fair Review Meeting 7pm Ext. Office
- 24 Clay/ Fillmore 4-H Dog Show, Clay Co.

4-H-

Together in the month of June Haylee and I worked on Summer Reading Program and local 4-H workshops. We had three libraries that participated this year, Geneva, Exeter, and Fairmont. The theme for this year was a Universe of Stories. Youth learned about engineering, design, the solar system and healthy lifestyles. Our summer workshops included sewing with help from Nancy and Bev, bees with Maddy, clover kid workshop, stepping stone, trash to treasure, food science and chair planter. Youth learned a ton of different life skills.

I also presented to a group of youth for last chance YQCA. We had about 40 in attendance from four different counties. Youth learned about the how to take care of their livestock properly.

I assisted with PASE again this year working with Quiz Bowl and Livestock Judging.

Then we rolled right into then Fillmore County Fair, where it was an all hand on deck situation. Our staff and volunteers really helped make this year's county fair great.
