**PRESENTED BY**

**DR. DAVID KOHL,  
PROFESSOR EMERITUS,  
DEPT. OF AAEC, VA TECH**

Extreme volatility and uncertainty created by geopolitics present an economic roller coaster environment for most businesses. These factors coupled with inflating costs, a shift from fossil fuels to the green movement, consumer and technology trends, and supply chain bottlenecks are only some of the challenges.

High school & college students  
encouraged to participate
