- Feb. 24th-4-H PYD Training
- Feb. 28th-Hosted Painting Workshop
- March 2nd-4-H PYD Training
- March 2nd-Thayer County Fair Board

NARRATIVE

We have begun fair preparation season, starting with beef weigh in held in Superior. Thayer County weighed in 13 head of market beef from eight different exhibitor. The 4-H Council has set the schedule and hoping to get approval from the fair board. Once approved we will dive in to more planning. The council and staff have been working on fair book changes in hopes of another great fair season. Jean & I have been working on making our website more user friendly for our 4-H families in both counties.

I was also able to judge FFA LDE events in Aurora and was set up to judge in York as well, but the weather didn't cooperate and both events were on the same day. I have been participating in some refresher professional development around the area of positive youth development.

We are planning a great four county Animals Inside & Out education field day for six grade students to be held in Deshler. Alexis-Fillmore County, Amy & I have put a lot of time and effort into putting on this day for youth and are really excited to host this event in a Southern Plains county.

The 4-H youth Ambassadors have met a few times to discuss leadership and their tasks for the 4-H year. We are looking forward to the in person event in early April.
