Numbering of Universal Ear Notching System: Up to two notches can be made in each quarter of the ear, i.e. to have a 6-2; put 2 notches in the quarter of the right ear where the 3 is located and put 2 notches in the quarter of the left ear where the 1 is located. To correctly identify the right and left ear, face the same direction as the pig and your right and the pig's right will be the same. If you stand looking at the face of the pig, its right ear is on your left.
