Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska-Lincoln cooperating with the Counties and the United States Department of Agriculture.

Nebraska Extension educational programs abide with the nondiscrimination policies of the University of Nebraska-Lincoln and the United States Department of Agriculture.

Schedule

(subject to change)

- 8:30- 9 am Registration & Refreshments**
Come early for an informal visit with presenters.
- 9- 9:15 am Opening: Welcome & Local Items of Interest**
- 9:15-10:30 Changing Turf Recommendations**
Learn which recommendations new research has adjusted related to turfgrass care. Go beyond one-size-fits all recommendations with high/medium/low turf care.
Speaker: Matt Sousek, UNL Agronomy and Horticulture Department
- 10:30-11:30 New and Emerging Insects**
Learn about upcoming insects and what the Nebraska Department of Agriculture Entomology Program can do for commercial horticulture professionals.
Speaker: Julie Van Meter, Nebraska Department of Agriculture
- 11:30-12:15 Lunch**
Provided with registration. Connect with presenters and network with other attendees.
- 12:20-1pm Identification Contest**
- 1-2:15pm Avoiding Tree Risks by Starting Right**
Cultural practices are often done incorrectly and can increase development of tree risks. Learn proper tree selection, planting, staking, cultural care and pruning.
Speaker: Graham Herbst, Nebraska Forest Service

2:30-3:15pm What Are Weather-Ready Landscapes?

Learn climate-change predictions for Nebraska and how these can affect plants/landscapes. Macro and micro-climates also affect the growing environment of plants. Learn practices that can be used to help make landscapes "weather-ready" and less impacted by weather extremes.
Speaker: Elizabeth Killinger, Nebraska Extension

3:15-3:30pm Closing: Announcements & Drawing
