

Static Exhibits

Awards will only be given to the top purple ribbon winner in each of the curriculum areas. All static exhibits must have received a purple ribbon at the county fair to advance to the State Fair. Classes that are listed as a "900" number are not eligible to advance to the state fair, regardless of ribbon placement. County only entries are still eligible for County Awards.

Special County Only Projects

Your Choice! Design Your Own!

of Entries: Limit of 1 entry per class

Premium: Purple \$3.00; Blue \$2.75; Red \$2.25; White \$1.75

Classes:

H951-901 All Original Entry

H951-902 Entry Made from a Kit

H951-903 Product from 4-H After-School Program

H951-904 Product from 4-H Camp or Workshop

General Information: Have you come up with an innovative idea or created a unique project that doesn't fit into a class in a traditional project? It's your choice what you'd like to create and enter! ► All hang-able exhibits must have a secure wire hanger attached. ► Lego exhibits: please place in a shoe box lid (or other 2 inch lipped box to protect during judging and display). ► Securely fasten entry tag to the exhibit. ► No food items.

Assistant Superintendent: TBA

Educational Display

Any 4-H member enrolled in an animal project may enter these classes. (Dairy, Beef, Swine, Sheep, Goats, Horse, Llama, Dog, Cat, Rabbit, Poultry, Companion Animal/Pets)

Rules: 4-H'ers are invited to create a poster highlighting an educational aspect of their animal project. The poster could focus on a current livestock issue, animal industry career, animal care or health, economic impacts of the livestock industry. In order to be eligible for the State Fair, posters must have been exhibited at the county fair and received a purple ribbon. Species include dairy, beef, sheep, swine, goat, poultry and rabbit. Poster display should be sturdy enough to last through the fair and no larger than 22 x 28 inches. Only standard poster board will be accepted. Foam Board or cardboard posters are discouraged. NOTE: Please take into consideration that these exhibits will be displayed inside the barns (at State Fair) and may not be returned to the exhibitor in the original condition at the time of entry. Posters will be judged. Refer to the scoresheet for this exhibit.

PREMIUMS

Purple	Blue	Red	White
\$3.75	\$3.50	\$3.00	\$2.50

G090-100 Educational Display for Animal Entries (SF 1000)

G090-901 Watering/Feeding Device (SF 1000)

G090-902 Cage/Pen (SF 1000)

G090-903 Equipment used by the animal (SF 1000)

G090-904 Equipment used by the handler/showman (SF 1000)

G090-905 Animal Arts (SF 1000) The purpose of this class is to allow artistic exhibits that contain educational information about animal science. Examples might include paintings, photographs, wood carvings, or songs or poems written by the exhibitor. Entries must be appropriate for fair display and no larger than 24" x 24". For example, paintings or photographs should be displayed in notebook format or mounted on a sturdy display panel. All entries must include a title and brief explanation of the purpose or message (what is the exhibit meant to show).

G090-906 Notebook (SF 1000) Must include an animal project record book, 3 of the 5 topics listed below, and at least 3 pictures related to the project. a) Knowledge learned about proper feeding and watering and proper safety precautions for your animal; b) Knowledge gained relating to your animal's health: diseases, parasites, signs of illness, etc.); c) Experience gained in training or handling your animal; d) Breeds and their characteristics; e) How you developed leadership, initiative, sportsmanship, and other traits through your animal science project.

G090-907 Other (SF 1000) Any item that is made by the 4-H member and relates to the project.

G090-908 Hard Luck Animal Class (SF 1000) This class is for exhibits or exhibitors that cannot be shown in the project area. Example show calf dies, dog breaks leg and vet says cannot compete in dog show. Include a story of what you planned on doing with the project, what happened, what you learned from the experience and include a picture.

EMBRYOLOGY

G090-909 Special Interest Display (ex: poster, scrapbook, etc.) (SF 1000)

DEPARTMENT H- VETERINARY SCIENCE

Superintendent: Christi Aycocock
Assistant Superintendent: TBA

The purpose of the Veterinary Science display is to inform the public about a common health problem of animals or a veterinary science principle. Do not confuse veterinary science exhibit topics with animal husbandry, history or production topics.

Rules:

1. A Veterinary Science exhibit may consist of a poster, notebook or a display. The exhibit may represent material from any of the Veterinary Science projects including entry level exhibits from Unit I.
2. If photographs are to be part of the exhibit, remember that they will be viewed by the public. Make sure that the photographs are in good taste and will not be offensive to anyone. Graphic photographs of excessive bleeding, trauma or painful procedures are not appropriate. For exhibits related to veterinary surgical procedures, aseptic techniques need to be shown, for example, use of drapes, use of sterile procedures, wearing of gloves, and other appropriate veterinary medical practices.
3. First-Aid Kits: Because of public safety concerns and risk of theft of first-aid kit contents (veterinary drugs/equipment) with perceived potential for drug abuse, animal first aid kits containing any drugs or medications will be immediately disqualified and not displayed. First Aid kits wishing to include medication information should instead utilize written descriptions, photographs, drawings, computer generated print-outs, or empty packaging of pharmaceuticals.
4. Veterinary Science Posters - This exhibit presents the viewer with a design that is simple and direct, unlike a display that usually presents more information. A poster should not exceed 22" x 28" and may be either vertical or horizontal.
5. Veterinary Science Displays - A display may include but is not limited to: a 3-dimensional exhibit, a scale model, the actual product (for example: skeleton; teeth; samples of leather, fur, or dried skin damaged by disease or parasites) or a notebook. A display is not a poster. A display may be mounted on poster board not to exceed 22" x 28" or on 1/4" plywood or equivalent that does not exceed 24" high or 32" wide or in a three-ring binder or another bound notebook format.
6. Eligibility- All static exhibits must have received a purple ribbon at the county fair to advance to the State Fair.

PREMIUM	Purple	Blue	Red	White
	\$3.75	\$3.50	\$3.00	\$2.50

VETERINARY SCIENCE

Rules

Appropriate Veterinary Science Topics:

- Maintaining health
- Specific disease information
- Photographic display of normal and abnormal characteristics of animals
- Animal health or safety
- Public health or safety
- Proper animal management to ensure food safety & quality
- Efficient and safe livestock working facilities
- Or a topic of the exhibitors choosing related to veterinary medicine or veterinary science
- *Remember, since these are science displays, all references and information needs to be properly cited. Proper sources include but are not limited to: Professional journals and publications, professional AVMA accredited websites, interviews with Veterinarians and excerpts from Veterinary Educational Literature. Plagiarism will result in a disqualification. Please study your topic and present the information to your audience in your own words.
