### Additional Information

County offices can accept paper ID sheets for their own record keeping but these **will not be accepted as a form of identification for State Fair and/or AKSARBEN**. Each exhibitor may nominate a total, between 4-H and FFA, as follows: Market Beef (10), Market Lambs (20), Market Swine (40), and Market Goats (20).

#### Family Responsibilities:

1. Exhibitors will be required to enroll in 4-H and the required projects by the county deadline in 4H Online.
2. Exhibitors showing market animals at State Fair or AKSARBEN must have a signed and sealed official DNA collector with hair samples for DNA verification turned into their county office and have completed the online nomination ([www.showstockmgr.com](http://www.showstockmgr.com)) along with submitting payment online by the appropriate deadline listed in the table. Any animal carrying an 840 EID tag will require the exhibitor to obtain a Premises ID. Contact the local Extension Office for details. (It is recommended that you make a copy or a photo image of completed envelope you turn into your county.)
3. Exhibitors showing breeding beef, breeding sheep and breeding does at State Fair or AKSARBEN will need to complete an online nomination ([www.showstockmgr.com](http://www.showstockmgr.com)) by the June 15 deadline.
4. Exhibitors will be required to complete Youth for the Quality Care of Animals (YQCA) for the enrolled livestock projects by the county deadline.
5. Exhibitors will notify the County Extension Staff of any retags that may occur up to time of check-in at either the State Fair or AKSARBEN show.
6. Exhibitors will select which animal entries they have chosen to show at State Fair on the State Fair pre-entry website. All nominated and validated animals will be automatically listed as a choice option for pre-entry registration.
7. 4-H and FFA youth participants will declare which youth organization they will show their animal projects by August 10 in ShoWorks.
  - a. If an animal is shown in FFA at the State Fair, it is no longer eligible for AKSARBEN. If an animal is entered in FFA, but isn't exhibited, that animal will still be eligible to be exhibited at AKSARBEN.
8. Exhibitors will be required to bring the breed registration association paperwork to check-in at State Fair for animals wanting to show in a breed class. The exhibitors name should be identified on the registration paper.
