Dear 4-Her,

The judging for 2021 4-H Clothing Construction (STEAM 1/Sew for Fun, 2 and 3), Beyond the Needle, Fashion Show, Shopping In Style and Attention Shoppers entries will be held Monday, July 12th at the 4-H Building. Each exhibitor needs to be ready for judging at 9:00 a.m. and report to the superintendent who will schedule you with the judge on a first come-first served basis. You will use the north room for a dressing room. When you arrive come in the south room and check in with a member of the committee and they will instruct you on what to do next. The building will open at 8:50 a.m.

Entry tags may be picked up at the Extension Office ahead of time and will be printed so you just need to bring them with your exhibits. You must have a separate entry tag for all fashion show entries and for all construction entries. You will leave **all entry tags** for fashion show and construction with the committee when you check in. After your construction interview please leave your entries with the judge. Be sure to put your name in all your garments, including those being used for Shopping In Style and Attention Shoppers. Please put garments on wire hangers.

If you are 10 years old as of January 1 and enrolled in STEAM Clothing Level 2 or higher you are eligible for state fair fashion show. Two 4-H-ers will be selected to represent Jefferson County at the state fair. One Shopping in Style model will also be selected. The following constructed entries are not eligible for state fair fashion show – Sew for Fun, STEAM Clothing Level 1, Beyond the Needle accessories. There will be awards for the top three senior and top three junior models.

See you Monday, July 12th!

Sincerely,
