Dear 4-Her,

Enclosed is the schedule for interview judging of 4-H food projects. Food exhibits will be judged on Wednesday, July 14 and Thursday, July 15 in the north room of the 4-H Building. Please note if you have more than one project you may be talking with more than one judge.

There will be a member of the foods committee in the dining area for you to check in with when you arrive. Remember to bring your recipes for each exhibit and any other required information. Food may be left in the judging room earlier in the day if you bring it to the fairgrounds before your judging time. *Also, if you are signed up for exhibits in Cooking 101, beginning foods projects, you are **NOT** eligible to exhibit in Cooking 201, 301 or 401 as they are higher level project areas.* However, you can do any of the other project areas listed in the foods section of the fairbook such as cake decorating, food preservation, general foods and miscellaneous foods.

No perishable items allowed. If it needs refrigeration to keep, it can't be exhibited.

ATTENTION YEAST BREAD EXHIBITORS: Please keep in mind the annual bread auction as you prepare for the fair. Please plan to donate cinnamon rolls and/or other specialty breads for the bread auction to raise money for the Hope Crisis Center. We can use your exhibits for the auction, but we would like additional items. If you are donating cinnamon rolls we would like a dozen for the auction. Remember bread freezes well and we can use your practice items for the auction. Encourage your family and friends to attend and bid! **We also need 4-H'ers to help with the auction, please call the office and sign up to help if you can. Thank you!** This is a great way to help somebody out less fortunate than yourself and use the skills you have learned in your 4-H project.

Sincerely,
