

2022 Keith County Livestock Auction

Saturday, August 6th at 2:00 PM MDT
Keith County Fairgrounds in Ogallala, NE

You are invited to the Keith County Livestock Auction.

The Keith County 4-H program appreciates your support and looks forward to seeing you at the sale.

How the Keith County Fair Livestock Auction works:

- The bidding is per head of animal.
- Winning bids: if the buyer keeps the animal the full price of the bid will be paid.
If the buyer does not keep the animal, there is a buy back based on the market price of each individual animal. For example if the winning bid is \$1,000 and the market value of the animal is \$600. You pay \$400.
- Animals may be sold for premium only. This animal does not change ownership. The buyer will pay the price of the winning bid.
- Buyers have the option to have the animals taken to Grant Pack in Grant, Nebraska to slaughter unless other arrangements are made. The meat will be ready approximately 2 weeks after the sale.
