NARRATION: Please type or print neatly. This will be read at the Public Fashion Revue. It needs to be long enough for modeling on stage (approximately 30 seconds). Describe your garment in detail, emphasizing the special features such as large pockets, interesting collar, different type of closing. Be sure to describe the accessories you will be wearing. If you wish, you may add some personal information such as where you will wear the garment, your hobbies, parents' names, 4-H Club, etc... Do remember, though, that you and the garment are the most important things on stage! Write your narrative with lots of pizzazz!!!!
