

4-H Presentation Contest

Thursday, July 22, 2021, 7:30 pm
First Trinity Lutheran Church Social Hall,
Bloomfield

Clover Kids Presentation – live presentation (1-3 minutes) to show and tell others how to do something.

The 4-H Presentation Contest helps youth develop skills for communicating. Through the contest, youth have an opportunity to teach others about the skills they have learned in 4-H by developing and delivering a “show and tell” presentation.

Division 151: 4-H ILLUSTRATED PRESENTATIONS

An Illustrated Presentation, given by one (1) individual or a team of two (2) individuals, is a live presentation with a formal talk where youth will use visual aids (such as props, posters, computer-based visuals, handouts, video, etc.) to show and tell others how to do something. The judge views the entire presentation and engages in a question and answer session following the presentation.

Participant Requirements:

- A Team Presentation, consisting of two individuals, may be given for any class - there is no separate class for team presentations.
- All classes require the presence of the contestant(s).
- Youth may only participate in one class within Division 151.
- Presentations will be divided into three age divisions (ages are as of December 31 of previous year): Novice Division (8-9); Junior Division (10-11-12-13); Senior Division (14&over)
- Time limit is 6-8 minutes for a presentation by an individual, and 8-10 minutes for a team presentation. Participants may be penalized if their presentation exceeds the time limits.
- Dress: If possible, participant's attire should correspond with their presentation (be creative). Otherwise, 4-H attire is encouraged.
- The educational resource, *Communication Modules*, for youth participating in the Presentation Contest is available from the Extension Office.
- Presenters using computer-based visuals may bring files on a USB drive that is PC formatted. Participants may also provide their own computer or other equipment as needed; however, participants must be able to connect their computer to a HDMI plug on the television.
- Live animals may be used in the presentation. Presenters are responsible for the care and handling of animals. Animals can only remain in the presentation area while the owner is present.
- All participants must be 10 years old before January 1 of the current year to participate at the State Contest.
- All participants must have received a purple ribbon at the county contest to advance to the State Contest.

Presentation Topic:

- All 4-H Presentation topics should be related to what the 4-H youth is learning through 4-H educational experiences focused on the priorities of career and college readiness, community development, entrepreneurship, food supply confidence, healthy living, leadership development, and STEM (science, technology, engineering, and mathematics).
- Enrollment in the project area in which the participant is making a presentation is not required.
- 4-H Presentations should include an introduction (the “why” portion of the topic), a body (the “show and tell” portion of the topic), and a conclusion/summary (the “what” portion of the topic).
- The same presentation cannot be given in more than one Illustrated Presentation class.

Recognition & Awards:

- Each participant will receive a ribbon and the top purple in each division will receive a trophy.
- The first place winner in each division is eligible for a \$50.00 scholarship for a 4-H Camp of their choice, sponsored by the Knox County 4-H Council.

CLASSES

B151113 - Illustrated Presentation (SF65)

B151112 - PREMIER PRESENTER CONTEST (State Only) (SF65)

- **Participant Qualification:** One individual or one two-person team (top purple or Grand Champion Presentation in the county contest) from the Illustrated Presentation Class will advance to the Premier Presenter Contest.
- **Contest Date/Location:** can be found in the 4-H Schedules at <https://4h.unl.edu/state-fair>
- **Age:** 10 years of age on January 1.
- **Awards:** Top four (4) outstanding presentations will be given a \$100 cash award; if awarded to a team, the cash award will be divided among the team members.

Division 152: TEACHING (TRADE SHOW EXHIBIT) PRESENTATIONS

- **Description:** A Teaching (Trade Show Exhibit) Presentation, given by one (1) individual or a team of two (2) individuals, is a live, interactive, trade show style presentation where youth will continuously engage a constantly-changing/moving audience for 30 minutes by showing and telling them how to do something while answering questions.
- **Time Length:** 30 minutes
- **Topics:** Teaching (Trade Show Exhibit) Presentations should engage the audience and teach them about something the 4-H youth is learning through 4-H educational experiences focused on the priorities of career and college readiness, community development, entrepreneurship, food supply confidence, healthy living, leadership development, and STEM (science, technology, engineering, and mathematics). Enrollment in the project area in which the participant is making a presentation is not required.

CLASSES:

B152001 - Teaching (Trade Show Exhibit) Presentation (SF66)

Division 153: DIGITAL VIDEO – 4-H FILMFEST

- **Description:** The 4-H FilmFest is the display of digital videos that show the recording, reproducing, and broadcasting of moving visual images. Digital videos may be created by one (1) individual or a team of two (2) individuals. Youth will provide a 1-minute oral introduction (name, background/goal of presentation, intended audience, where presentation could be shared, etc.) followed by the showing of their digital video. The following digital videos may be entered in the 4-H FilmFest:
 - **Video Public Service Announcement:** A short video that communicates an educational message focused on a cause, activity, or event (Length: 60 seconds).
 - **Narrative:** A video that tells a fact or fiction story (Length: 3-5 minutes).
 - **Documentary:** A video that presents factual information about a person, event, or process (Length: 3-5 minutes).
 - **Animation:** A video created by techniques that simulate movement from individual images (Length: 3-5 minutes).
- **Topic:** 4-H FilmFest digital videos should engage the audience and teach them about something the 4-H youth is learning about science, healthy living, citizenship, and agricultural literacy. Enrollment in the project area in which the participant is making a presentation is not required.

Class B153001- 4-H FilmFest (Digital Video). (SF67)
