DISCLAIMER OF RESPONSIBILITY FOR EXHIBITS AT KNOX COUNTY FAIR:

4-H exhibits at County Fair are entered and displayed at the risk of the 4-H member. The Knox County 4-H Department, in cooperation with the County Ag Society, accepts exhibits and will exercise due care to protect them. However, the 4-H Department and Ag Society cannot accept responsibility for loss or damage due to the conditions imposed by large crowds, the arrangement of the buildings in which displays are housed and the great number of exhibits. **4-H'ers who have exhibits of great sentimental and/or monetary value should carefully consider whether such exhibits should be exposed to the hazards of the fair.** While the greatest possible care will be exercised by the management to protect patrons of the County Fair, each individual will be held personally responsible for any injury.

SUBSTANCE ABUSE. Use or possession of alcoholic beverages or drugs (except for medical purposes) by any exhibitor who is participating in 4-H at the County Fair will result in immediate disqualification of that exhibitor's entry.

LIVESTOCK/ANIMAL GENERAL RULES

MAY 4-H LIVESTOCK BE SHOWN IN OTHER CLASSES?

4-H livestock may **not be shown** in other classes; this includes Open Class and FFA.

4-H/FFA EXHIBITS:

Training offered by agricultural education/FFA and extension/4-H contribute to youth's preparation for a future in agricultural production, agribusiness, and other areas. Simultaneous participation in both programs is acceptable and encouraged, if youth choose to do so.

For purposes of exhibition, an animal can be nominated for both organizations. Exhibitors who participate in both organizations must decide at the time of submitting fair entry forms which organization they are exhibiting their animals.

OWNERSHIP OF ANIMALS:

All animals entered in the 4-H show must be owned and identified by the livestock exhibitor on or before June 15. Ownership must be verified by the appropriate identification report form and due to the extension office by the June 15 deadline. Animals with "lost" tags will need to be retagged and the new tag reported to the County Extension Office prior to the County Fair.

WHO IS ALLOWED TO SHOW LIVESTOCK?

Only 4-H project owners may exhibit their animals unless excused by the Superintendent and Extension Educator. Excuses, when granted, are only for military service, sickness or when the owner has a conflict with another county fair activity. If the 4-Her has several 4-H fair activities scheduled at the same time, the show

WILL NOT be held up for the exhibitor. The 4-H member may have another 4-H member, who is eligible and exhibiting at the fair, show their livestock (NO Clover Kids). However, no substitute showman will be allowed in either showmanship or performance classes.

REGISTRATION OF LIVESTOCK:

A breeding animal to be eligible for show in a registered (purebred) class must be owned by the exhibitor by June 15 of the current year and be registered by the official breed association. The following apply to the county fair on registration of animals:

LIVESTOCK SHOWMANSHIP

ELIGIBILITY - All 4-H livestock exhibitors must show their own animals to be considered as participants in the Showmanship Contest.

BASIS FOR JUDGING - Showmanship judging is based on preparation of animals for show, their apparent training, and the appearance and behavior of the showman. Minor technical points are not to be over-emphasized, nor do minor infractions disqualify. Primarily in showmanship it is the skill of the showman in presenting the animal before the judge that counts, while individual excellence of the animal does not. Information relative to the basis for judging dairy showmanship is found in *A Guide for Judging 4-H Dairy Fitting and Showmanship Contests*. Information on livestock showmanship contests is found in 4H357, *Guide for Evaluating Livestock Showmanship Contests*, available from the Extension Office.

EXHIBITOR DRESS CODE - Exhibitors showing beef, dairy, sheep, goats, swine, cats, dogs, poultry, pets, and rabbits may wear a long-sleeve white shirt, white T-shirt (NO CLUB NAMES), or the official Knox County T-Shirt (either the green or the white T-shirt) and blue or dark jeans are preferred. NO NECK TIES, HATS, CAPS, OR OTHER TYPE OF HEADGEAR ARE TO BE WORN IN THE SHOW RING. Hard soled shoes or boots are recommended. Horse Show Exhibitors will find dress code regulations in the Horse Division.

QUESTIONS FOR FINALISTS - Each showmanship judge may or may not ask oral questions in the finals.

LIVESTOCK GROOMING RULE - See Livestock/Animal General Rules

EXHIBITOR NUMBERS - To allow for easy and rapid identification, all exhibitor numbers shall be pinned on the back of the exhibitor in the area of the shoulder blades.

4-H ROUND ROBIN SHOWMANSHIP CONTEST

1. The Round Robin Showmanship Contest provides an opportunity for the Champion and Reserve Champion Showman of the Senior and Junior 4-H Divisions to compete for best all-around honors at the fair. The champion and reserve champion showman from both divisions in sheep, meat goat, swine, large beef, feeder calf and horse are eligible to participate. It is very possible that one of the reserve showmen could be named as Champion Round Robin Showman.
2. In the event that a person wins the showmanship contest in more than one species in a given year, they will be entered into the Round Robin Contest in the first species that they qualified in.
3. Eligible contestants will take a test in the 4-H office on the fairgrounds prior to the live showmanship. Test scores will be ranked with the best score receiving 1 point, the 2nd best test score receiving 2 points and so on.
4. The live showmanship will be conducted following the last show on Sunday of the fair. 4-H Dress Code is required.
5. There will only be 4 species for the live showmanship: sheep, meat goat, swine and large beef.
6. For the live showmanship, 2 arenas will be used with 2 classes being shown at the same time. There will be the same number of animals in the ring for the number of eligible contestants. The judge will rank the contestants from 1 (being the best) and up. For example, if there are 10 contestants in the senior showman class, the contestants will be ranked from 1 (being the best) up to 10.
7. After the class has been ranked, the contestants will then switch arenas. After both groups have been judged in both species, the animals will be released, and the next 2 species will be brought into the arenas.
