2023 is the **150th Madison County Fair** and we look forward to celebrating with everyone in Open Class. We are very excited to unveil to you some changes for 2023 such as; New Age Divisions; Classes and their Numbering; and New Entry Tags; and a NEW drop off/judging day.

Instead of having separate classes for youth and seniors, we are implementing age divisions that will greatly increase the number of opportunities to exhibit items for everyone. When you register for Open Class either during drop-off or in advance, you will select which division you will compete in, and then all entries will need to be entered in that same division. Grandparent/grandchild entries will be assigned a separate exhibitor number. There are some classes that may include further breakdown of age divisions depending on the skills needed for the class and the number of entries received as indicated in each section of the fairbook.

The revision of the classes has been inspired by the Madison County Fair Open Class, Nebraska State Fair Open Class, and ideas from exhibitors, department superintendents, and open class coordinators. Please note, classes have been removed, added, or moved to a different section in the departments. We will continue to make modifications annually after the conclusion of the fair with exhibitor input but we are unable to add classes during the fair. Please speak to a Department Superintendent or Open Class Superintendent for assistance in classifying as there may be a different class available to enter items in. Also note that as classes now have a unique number, the class numbers of all classes may change from each year going forward.

Since the class numbering has changed, we will be utilizing one consistent entry tag that will replace the two different types used in the past. You will not need to write in the Department Letter nor the Lot Number- just the Class Number, the Department Name, and the class/item description. You **may** fold over the tag to cover your name if you prefer that the judge does not know your name. We will not be folding over names otherwise, as this takes an incredible amount of volunteer's time.

Item Drop off times will be extended in order to be of more convenience to exhibitors and Open Class volunteers. We are encouraging as many non-perishable exhibits to be checked-in on Saturday July 8 so they can be organized for judging day. All items will need to be dropped off before 11 AM on July 12. Late items will be displayed, but not judged. Please see the schedule for the new drop off and judging schedule.

If you have any interest in assisting in a department or to be a building monitor during the fair, please contact us. We are so grateful to all who help make the Open Class successful, please consider helping!

We are looking forward to seeing all the creativity and pride that goes into each entry.

Sincerely,

Open Class Coordinators

Awards

150th Awards

Local businesses and Open Class Supporters donate special awards- typically a gift certificate- to recognize items at the fair. Open Class Coordinators and Department Superintendents award these items separately from judging based on uniqueness or other characteristics. **For 2023, these Special Awards will be awarded to traditional classes that would have been representative of entries that you would have seen in 1873 at the Madison County Fair.** For donating any gift certificates to be awarded, please contact Kendra or Les.

Esther Schulz Memorial

This award is donated by a grandchild of Esther Schulz and is awarded to the top three individuals in Open Class who have the most entries displayed at the fair. The tribute is provided as an honor to Esther Schulz for her many years of participation at the Madison County Fair. Each year she would display the most entries by an individual. Her efforts represent a beauty that was present at each county fair. This beauty continues within all individuals who help promote the Madison County Fair.

Awards are presented for:

1st Place	\$25.00 and Trophy
2nd Place	\$15.00 and Trophy
3rd Place	\$10.00 and Trophy

Elaine Schulz Memorial

The annual award is given to the individuals who participate in the open class categories of knitted or crocheted items, Afghans, and needlecraft. The award is based on “quality workmanship”. Elaine was proud of the “hand work” and the “tender loving care” each item needed. This fulfills a dream from the past generations of a unique art and she wishes to pass this activity to the future generations.

Awards are presented for:

1st Place	\$25.00 and Trophy
2nd Place	\$20.00 and Trophy
3rd Place	\$15.00 and Trophy
