AUGUST 2021

Dear Master Gardeners:

How are you all doing?

Because of the rain on Saturday, July 10, the regular people who were going to be at the Elkhorn Museum to weed, decided not to as it was too wet. This month, August, the meeting is on the 14th at the museum. We'll see how the weather holds out.

Remember, we are taking the summer off and do not have a business meeting again until September when we will have another plant exchange. And hopefully a speaker or discussion on a topic.

Be the sure to keep track of all your education and volunteer hours. It is best to have most hours recorded online by October if you can.

The officers are still working on speakers for future meetings and will meet the first part of August to go over the information we have. There is a speaker for October. Information will be sent out after our meeting. If you have an idea for a topic or know of a speaker please contact myself or any other officers. We are listed in the MG member book.

Be safe and happy gardening!

Thanks,
 Viola McShannon
 President
