JULY 2022

Dear Master Gardeners,

Hello everyone! Summer is turning out to be pretty dry and hot. I really enjoyed this weekend and the cooler weather. My garden is full of blooms. Still a little behind on the veggies but I do what I can.

Emmalene has spoken with the library about a seed library and they do want to set one up. They have provided a space with lots of shelves. We are planning to supply several Extension publications on gardening. The library would like to have us focus on fall gardening starting in July. It would be very nice if we could get some seed donations to take to the library in July. If you have some extra seed packets etc, please drop them off at the Extension office and we will pick them up and take them to the library. Once this gets set up you will be able to take seeds to the library to donate. Thank you all, let's make this a winning project!

Remember there are no business meetings June-August. However we do schedule the second Saturdays each month to work at the Elkhorn Valley Museum pollinator garden at 9:00 am. Our second date is on July 9th. Thank you to all who came in June and helped with the weeding and planting. 😊

Be sure to continue to keep track of all your education and volunteer hours and record your hours online. If you need any help let me know.

Thank you all,  
Viola McShannon  
President
