JUNE 2023

Dear Master Gardeners,

Hello everyone! How is the garden season going for you? I've been pretty busy. My herb garden is finally planted! I made a change in the layout, but it's all good. Some herbs I started myself and a couple I purchased. So far so good.

First of all thank you so much to Mary and Teresa for the wonderful Lunch at the May meeting! Very nice 😊

Plans continue for the trip to Lincoln on July 11. So far we have 8 people signed up from our group and two guests. If you plan to come and haven't signed up yet please let Pam, our I know. Jody will join us in Lincoln, hopefully with some master gardeners from Adams county. We plan to leave Norfolk from the extension office at 8:00 am. (Please park on the North side). We want to be there by 10:00 -10:30 am. Our first Stop will be at East Campus where we will meet Bob Henrickson at the shade House and go from there. We will also be able to purchase plants. From there we will go to the Backyard Farmer Garden. According to last weeks show they have finished planting and things should be growing well by the time we are there. Other stops to include: Lunch, Sunken Gardens, rose garden and others if we have time. I have some good suggestions from people in Lincoln. I will have an itinerary sent out to all of the participants when we are closer to the date.

Our first volunteer day at the Elkhorn Valley Museum is June 10 at 9:00 am. I have Robin, Teresa, Laurie, Bonnie (possibly) and Emmalene signed up for that day. However feel free to volunteer there when ever you have time, even if you haven't signed up. It is not limited to just that day. If you can bring a watering can that would help also. Thanks for helping.

Also if you haven't yet, it would be a good idea to start logging your education hours and volunteer hours online. If you need some help with this let Pam or I know.

Thanks and see you later,

Viola McShannon President
