## **4-H Member/4-H Parent Code of Conduct**

**Character Development is the cornerstone of the 4-H program, therefore we expect all people involved with the 4-H program to exemplify the six pillars of character, which are Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship.**

**Please make yourself aware of these expectations.**

- Treat members, parents, Extension staff, judges and others with respect, courtesy and consideration. Avoid and prevent put-downs, insults, name-calling, yelling and other verbal and non-verbal conduct likely to offend, hurt or set a bad example.
- Model kindness and compassion for others and be a team member, discouraging selfishness.
- Practice fair-mindedness by being open to ideas, suggestions, and opinions of others.
- Obey laws and rules as an obligation of being a good citizen, and promote the responsible treatment of animals and stewardship of the environment.
- Provide and maintain a safe environment, not carelessly or intentionally harming youth or adults in any way: verbally, mentally, or physically.

"The University of Nebraska–Lincoln is committed to providing accommodations necessary to allow individuals with disabilities to function effectively and safely while participating in 4-H events. If you believe you may need accommodation, please contact Faculty/Staff Disability Services at [access@unl.edu](mailto:access@unl.edu) or call 402-472-3417."

"Nebraska Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska–Lincoln cooperating with the Counties and the United States Department of Agriculture. The 4-H Youth Development program abides with the nondiscrimination policies of the University of Nebraska–Lincoln and the United States Department of Agriculture."
