

SUMMER

FUN AT THE FAIRGROUNDS

**\$5.00 PER PERSON/
PER SESSION**

This summer youth 5-18 are invited to come to the Open Air Building at the Nemaha County Fairgrounds for some science fun sponsored by Nebraska Extension - Nemaha County.

JUNE 6, 13, 20

10-11 AM

AGES 5 -18

JUNE 6
REGISTER BY MAY 30

- Youth will study animal tracks and how animals move differently.
- Youth will make an animal track to take home.

JUNE 13
REGISTER BY JUNE 6

- Youth will study different flower uses and dissect flowers.
- Youth will make a paper flower bomb to take home and plant.

JUNE 20
REGISTER BY JUNE 13

- Youth will study pollution in watersheds.
- Youth will make a project using recycled materials.

Please register for each date at <https://go.unl.edu/jkdc> or using the QR code so we can prepare supplies. Parents are encouraged to stay with youth that are 5-7 years old.
