NARRATION: In 60 words or less, write a script about you and your entry. Crisp white lines, cooled by silky blue navy, is the perfect fabric choice for Janet Smith from Rice County. She worked a miracle turning these fabrics into a stylized cardigan jacket, a pleated skirt, and a soft blouse. Janet enjoyed learning the art of making pleats with her skirt. This high school senior loves playing softball.

Dan Brown, from Block County, wears this grey European-cut, double-breasted suit he made from 100% wool. Dan sewed with wool for the first time this year. The fuller-cut, athletic fit is perfect for this high school junior, who will be a starter on his football team this fall.
