2017 Northeast Nebraska Career Day, October 17, 2017 at Wayne State College offers you the opportunity to attend three different career sessions. Please review your career tests and think about your career goals. This information can serve as a guide when making your selections. Read through all the career sessions below and select your top five career choices by marking them **1 through 5**, with 1 being your first choice. If you have questions about the careers listed, please check with your teacher/guidance counselor.

PLEASE NOTE: If you are interested in a career in the Health/Medical Sciences field, sign-up for **ONE of the Health/Medical Career Tracks as your first choice. In this session students will rotate through a variety of hands-on sessions in the health science fields. Please mark your next four choices in case the health/medical track you chose is full.**
