**Late Fair Entries will be accepted July 2-5 with fee. Late fee per member: Static - \$25 / Livestock - \$50
Maximum late fee per member is \$50. Absolutely NO entries will be accepted after July 5.**

*Entries must be complete with all proper documentation to be considered on time.

*Entries received by the deadline (July 1st), but missing documentation (i.e. missing vaccinations, ID's and Quality Assurance not complete), will be considered late entries, and families will be required to pay the late fee. Missing documentation must be received within two business days of the entry deadline.

*Carefully consider which projects you will enter and add them to your entry form. It's better to pre-enter any possible projects, because exhibits will not be accepted at the fair if they were not on your entry form. (This applies to static AND animal entries.) Remember to be realistic as to what you can accomplish.

*Fair Suggestions:

-Read the newsletter and fair book carefully.

-Start early on your fair entry forms and bring them in before the deadline. We can help your family determine which documentation is needed or missing to avoid late fees.

-We'd love to avoid collecting any late fees! Ask questions now— we're here to help!
